

**Centre for Policy Research**  
Dharma Marg, Chanakyapuri, New Delhi

Job Description: Research Associate cum Data Analyst

The Centre for Policy Research (CPR) invites applications for a full-time Research Associate cum Data Analyst. As a part of CPR's politics research team, the candidate will work closely with CPR Fellow Rahul Verma and is expected to play a key role in supporting ongoing research projects. The selected candidate should ideally join from January 1, 2020 and commit to work for at least one year, if not more.

**Remuneration:**

We offer competitive remuneration based on qualification and skill set.

**How to apply?**

Interested candidates should complete this form [[click this link](#)] and upload their CVs in PDF format only. The filename for the CV should be in the following format: lastname\_cv.pdf (everything in lower case). The deadline for applying is December 20, 2019. Only shortlisted candidates will be contacted for the next round.

**Qualification:**

- A Master's degree OR any professional degree OR equivalent. Candidates with engineering degrees are also encouraged to apply.
- Candidates must have a good knowledge of programming languages such as R and Python. They must demonstrate good quantitative skills.
- The successful candidate will be resourceful, detail-oriented and have excellent organisational skills with demonstrated ability to multitask and meet deadlines.
