	Act. 1974, the Air (Prevention and Control of Pollution) Act,	
	1981.the Biological Diversity Act, 2002and the National Green	
	Tribunal Act, 2010 shall be deemed to have the meanings	
	assigned to them in those Acts.	
Amendment of	3. In section 6 of the principal Act,-	
section 6.	(2) Constant (A the following clause shall be	
,	(a) in sub-section (2), after clause (f), the following clause shall be	
	inserted, namely:—	-
	"(g) levy of fee for matters falling under clauses (viii) to (xiv)	
	of sub-section (2) of section 3.".	
	(b) after sub-section (2), the following sub-sections shall be	1
·	inserted, namely:-	
	"(3) In case the Central Government is of the opinion that the	
	discharge of environment pollutant in excess of the prescribed	
	standards or the other environment pollution can be prevented	
	by adopting a new technology or a machine or device or process,	
	it may, by rules made by it, specify the time within which such	
	new technology or a machine or device or process shall be	
	adopted or installed or operated by the occupier or any person	1
	carrying on industry, operation or process or activity and in	
	such_cases_no -penalty_shall_be-levied_for-the-contravention	
	specified under the Schedule or for default or contraventions	
	specified under sections 14-H, 14-I, 14-J, 14-K, 14-L, 14-M, 14-N,	·
•	14-O, 14-P, 14-Q, 14-R, 14-S, 14-T and 14-U, if such occupier or	•
	person gives prescribed security for an amount equivalent to the	:
	maximum amount of penalty leviable under this Act:	
	Provided that different periods may be specified for a	ı
	class or classes of occupier or any person carrying on industry.	,

for different categories of industry, operation or process or activity for adoption or installation or operation. (4) In case occupier or person referred to in sub-section (3) adopts or installs or operates the new technology or a machine or device or process referred to in that sub-section, the prescribed security given by him shall be returned to him in the manner as may be prescribed. (5) In case occupier or person referred to in sub-section (3) fails to adopt or install or operate the new technology or a machine or device or process referred to in that sub-section, the prescribed security given by him shall be forfeited or invoked in the manner as may be prescribed. Amendment of section 11 of the principal Act, after sub-section (4), the following shall be inserted, namely: (5) Nothing contained in sub-sections (3) and (4) shall apply to any sample taken in electronic form from any equipment installed by the occupier when such sample has been authenticated, by any of the officers authorized by the Central Government or State Government or any officer empowered in this behalf, to be electronic record, in such manner as may be prescribed. (6) The Central Government may, having regard to the equipment or process or activity used or carried on, specify the method of calculation or measurement to be taken from such equipment or process as the sample in electronic form and different methods of calculation or measurement may be specified for different equipment or process as sample taken in electronic form.		17.02	2016
activity for adoption or installation or operation. (4) In case occupier or person referred to in sub-section (3) adopts or installs or operates the new technology or a machine or device or process referred to in that sub-section, the prescribed security given by him shall be returned to him in the manner as may be prescribed. (5) In case occupier or person referred to in sub-section (3) fails to adopt or install or operate the new technology or a machine or device or process referred to in that sub-section, the prescribed security given by him shall be forfeited or invoked in the manner as may be prescribed. Amendment of 4. In section 11 of the principal Act, after sub-section (4), the following shall be inserted, namely: (5) Nothing contained in sub-sections (3) and (4) shall apply to any sample taken in electronic form from any equipment installed by the occupier when such sample has been authenticated, by any of the officers authorized by the Central Government or State Government or any officer empowered in this behalf, to be electronic record, in such manner as may be prescribed. (6) The Central Government may, having regard to the equipment or process or activity used or carried on, specify the method of calculation or measurement to be taken from such equipment or process as the sample in electronic form and different methods of calculation or measurement may be specified for different equipment or process as sample taken in electronic form. Explanation For the purposes of this section, the expressions "electronic form" and "electronic record" shall have the same meanings as assigned to them in clauses (r) and (t) respectively of sub-section (1) of section 2 of the Information Technology Act, 2000. Insertion of new sections [14,144,144,144,144,144,144,144,144,144,		operation of new technology or a machine or device or process or	
activity for adoption or installation or operation. (4) In case occupier or person referred to in sub-section (3) adopts or installs or operates the new technology or a machine or device or process referred to in that sub-section, the prescribed security given by him shall be returned to him in the manner as may be prescribed. (5) In case occupier or person referred to in sub-section (3) fails to adopt or install or operate the new technology or a machine or device or process referred to in that sub-section, the prescribed security given by him shall be forfeited or invoked in the manner as may be prescribed. Amendment of 4. In section 11 of the principal Act, after sub-section (4), the following shall be inserted, namely: (5) Nothing contained in sub-sections (3) and (4) shall apply to any sample taken in electronic form from any equipment installed by the occupier when such sample has been authenticated, by any of the officers authorized by the Central Government or State Government or any officer empowered in this behalf, to be electronic record, in such manner as may be prescribed. (6) The Central Government may, having regard to the equipment or process or activity used or carried on, specify the method of calculation or measurement to be taken from such equipment or process as the sample in electronic form and different methods of calculation or measurement may be specified for different equipment or process as sample taken in electronic form. Explanation For the purposes of this section, the expressions "electronic form" and "electronic record" shall have the same meanings as assigned to them in clauses (r) and (t) respectively of sub-section (1) of section 2 of the Information Technology Act, 2000. Insertion of new sections [14,144,144,144,144,144,144,144,144,144,		for different categories of industry, operation or process or	
adopts or installs or operates the new technology or a machine or device or process referred to in that sub-section, the prescribed security given by him shall be returned to him in the manner as may be prescribed. (5) In case occupier or person referred to in sub-section (3) fails to adopt or install or operate the new technology or a machine or device or process referred to in that sub-section, the prescribed security given by him shall be forfeited or invoked in the manner as may be prescribed. Amendment of section 11 of the principal Act, after sub-section (4), the following shall be inserted, namely:- (5) Nothing contained in sub-sections (3) and (4) shall apply to any sample taken in electronic form from any equipment installed by the occupier when such sample has been authenticated, by any of the officers authorized by the Central Government or State Government or any officer empowered in this behalf, to be electronic record, in such manner as may be prescribed. (6) The Central Government may, having regard to the equipment or process or activity used or carried on, specify the method of calculation or measurement to be taken from such equipment or process as the sample in electronic form and different methods of calculation or measurement may be specified for different equipment or process as sample taken in electronic form. Explanation For the purposes of this section, the expressions "electronic form" and "electronic record" shall have the same meanings as assigned to them in clauses (r) and (t) respectively of sub-section (1) of section 2 of the Information Technology Act, 2000.' Insertion of new sections 14 of the principal Act, the following sections shall be inserted, namely:— Insertion of new sections 14 of the principal Act, the following sections shall be inserted, namely:— Insertion of new sections 14 of the principal Act, the following sections shall be inserted, namely:— Insertion of new sections 14 of the principal Act, the following sections shall be inserted, namely:— Insertio			-
device or process referred to in that sub-section, the prescribed security given by him shall be returned to him in the manner as may be prescribed. Jurisdiction of adjudicating officer and adjudicating officers.	14D.(1) The Central Government shall, by notification, specify the areas in relation to which each adjudicating officer and adjudicating officers exercise jurisdiction for exercising and discharging his powers under this Act.	
	(2) While holding an inquiry, the adjudicating officer shall have power to summon and enforce the attendance of an occupier or his agent and any person concerned or Board or authority or committee or body acquainted with the facts and circumstances of the case to give evidence or to produce any document which in the opinion of the adjudicating officer, may be useful for or relevant to the subject-matter of the inquiry and if, on such inquiry, he is satisfied that the person has made a default in complying with any provision of this Act or rules made or any order or direction issued thereunder or terms and conditions of the clearance, approval, authorization, permission, registration made, given or granted to him in pursuance of this Act or under any notification issued thereunder, he may, by order impose such penalty, as specified in the Schedule, as he thinks fit.	-
	(3) The application, before the adjudicating officer or adjudicating officers under this Act shall be disposed of within a period of thirty days from the date of filing of the application, after providing the occupier and the other parties concerned an opportunity of being heard.	
: :	(4) The penalty imposed, by the adjudicating officer on the occupier or his agent and any person concerned shall be paid within a period of sixty days from the date of receipt of the order imposing such penalty.	
Factors to be taken into account by adjudicating officer.	14E. While adjudging quantum of penalty specified in the Schedule, the adjudicating officer or adjudicating officers shall have due regard to the following factors, namely:-	
	(a) the amount of economic gain or disproportionate gain or unfair advantage, wherever quantifiable, made as a result of the default;	
	(b) the repetitive nature of default; (c) extent to which such default is likely to adversely affect the	
	environment or cause environment pollution; (d) size of industry, operation, process, factory or premises,	
	turnover of micro enterprise or small enterprise or medium enterprise.	
Transfer of case causing environment pollution by adjudicating officer to Adjudicating Authorities in	14F. In case the adjudicating officer or adjudicating officers, while adjudging penalties under sub-section (2) of section 14C, is of the opinion that default in complying any provision of this Act or rules made or any order or direction issued thereunder or terms and conditions of the clearance, approval, authorization, permission, registration made, given or granted to him in

	granted to him in pursuance of this Act or under any	
	notification issued thereunder, and such default causes	1
	environment pollution by contamination of water or such	
,	alteration of the physical, chemical or biological properties of	
	water or such discharge of any sewage or trade effluent or of any	
	other liquid, gaseous or solid substance into water (whether	
	directly or indirectly) as may, or is likely to, create a nuisance or	
	render such water harmful or injurious to public health or safety,	
· ·	or to domestic, commercial, industrial, agricultural or other	
	legitimate uses, or to the life and health of animals or plants or of	
	aquatic organisms, shall be liable to penalty,	

	17.02	2.2016
	(a) in case of such environment pollution whereby water gets	
,	polluted and the pollutants are easily bio-degradable or non toxic	-
	or both non-toxic and easily bio-degradable, to a penalty not	1
	exceeding two crore and in case of continuing such pollution,	
	with an additional penalty which may extend to two lakh rupees	
	for every day during which the pollution continues;	
	(b) in case of such environment pollution whereby water gets	
	polluted and the pollutants are not easily bio-degradable or toxic	
	or both toxic and not easily bio-degradable, to a penalty not	
	exceeding five crore rupees and in case of continuing such	
	pollution, with an additional penalty which may extend to four]
	lakh rupees for every day during which the pollution continues;	
	(2) Notwithstanding anything contain in subsection (1), the	
	Central Government may, having regard to the innovations and	
	development in the field of technology, specify the calculation of	
	pollution for the purposes of this section in such manner as may	
	be prescribed.	
	Explanation.—For the purposes of this section,-	
	(a) "trade effluent" includes any liquid, gaseous or solid	
	substance which is discharged from any premises used for	
	carrying on any "Industry, operation or process, or treatment	
	and disposal system" other than domestic sewage;	
	(b) "sewage effluent" means effluent from any sewerage system	·
	or sewage disposal works and includes sullage from open drains;	
	(c) "sewer" means any conduit pipe or channel, openor closed,	
	carrying sewage or trade effluent.	
	carrying sewage of trade efficient.	
Penalty for	14-I. (1) Whoever makes a default in complying with any	
environment	provision of this Act or rules made or any order or direction	
pollution in air.	issued thereunder or terms and conditions of the clearance,	
	approval, authorization, permission, registration made, given or	
	granted to him in pursuance of this Act or under any	
-	notification issued thereunder or any other law for the time	l
	being in force, and such default causes environment pollution in	ĺ
	air by emission of air pollutants into the atmosphere from	
	industrial plants and automobiles on for the structure	
	industrial plants and automobiles or for the discharge of any air	
	pollutant into the atmosphere from any other source whatsoever	
	(not being a ship or an aircraft), shall be liable to penalty,	
	(a) in case of such environment pollution, causing low pollution	

• /		
	in the air, to a penalty not exceeding fifty thousand rupees and	
,	in case of continuing such pollution, with an additional penalty	
	which may extend to five thousand rupees for every day during	
	which the pollution continues;	Į
	Which the political continues,	
	(b) in case of such environment pollution, causing moderate	
	pollution in the air, to a penalty not exceeding seventy five	1
	thousand rupees and in case of continuing such pollution, with an	
	additional penalty which may extend to seven thousand five	
	hunderd rupees for every day during which the pollution	
	1	
	continues.	
	(c) in case of such environment pollution, causing high	
	pollution in the air, to a penalty not exceeding one crore rupees	
	polition in the air, to a penalty not exceeding one of our rupes	
	and in case of continuing such pollution, with an additional	
	penalty which may extend to one lakh rupees for every day	
	during which the pollution continues,	
<u> </u>	(d) in case of such environment pollution, causing critical	
	pollution in the air, to a penalty not exceeding two crore rupees	
	and in case of continuing such pollution, with an additional	
	penalty which may extend to two lakh rupees for every day	
	during which the pollution continues,	
	Explanation 1 For the purposes of this section,-	
	(a)"air pollutant" means any solid, liquid or gaseous substance	
	(including noise) present in the atmosphere in such concentration	- <u></u>
	as may be or tend-to be injurious to human beings or other living	
	creatures or plants or property or environment;	
	(b) "air pollution" means the presence in the atmosphere of any	
	air pollutant.	
	Explanation 2 For the purposes of this section, the low	
	pollution, moderate pollution, high pollution and critical	
	pollution shall be categorised having regard to the Excedence	
	Factor in the following manner, namely:-	
	(a) in case Excedence Factor is more than 1.5, the air pollution	
	shall be categorised as critical pollution; (b) in case Excedence Factor is between 1.0 to 1.5, the air	
	pollution shall be categorised as high pollution	
	(c) in case Excedence Factor is between 0.5 to 1.0, the air	
	pollution shall be categorised as moderate pollution;	
	(d) in case Excedence Factor is less than 0.5, the air pollution	
· ·		
	shall be categorised as Low Committon.	
	shall be categorised as Low Pollution. Explanation 3 For the purposes of Explanation 2, the Excedence	
	Explanation 3 For the purposes of Explanation 2, the Excedence Factor means the ratio of annual mean concentration of a

	discharge his functions.	
	(14) In the event of the occurrence of any vacancy in the office of	
	the Chairperson by reason of his death, resignation or otherwise	
	thesenior-most Member shall act as the Chairperson of the	
	Adjudicating Authority until the date on which a new	
	Chairperson, appointed in accordance with the provisions of this	
· · · · · · · · · · · · · · · · · · ·	Act to fill such vacancy, enters upon his office.	
	(15) When the Chairperson of the Adjudicating Authority is	-
	unable to discharge his functions owing to absence, illness or any	
	other cause, the senior-most Member shall discharge the functions of the	
	1	
	Chairperson of the Adjudicating Authority until the date on	
	which the Chairperson of the Adjudicating Authority resumes his duties.	
	(16) The Chairperson or any other Member of the Adjudicating	,
	Authority or the adjudicating officer after ceasing to hold office	
•	as such shall not accept any commercial employment, for a	i
	period of five years from the date he ceases to hold such office.	•
	Explanation.—For the purposes of this section, 'commercial	
	employment' means employment in any capacity under, or	
	agency of, a person engaged in trading, commercial, industrial or	
_	mancial business in any field and includes also a director of a	
·	company or partner of a firm and it also includes setting up	
	practice either independently or as partner of a firm or as an	-
	adviser or a consultant.	
,	(17) The Adjudicating Authority shall not be bound by the	5 of
	procedure laid down by the Code of Civil Procedure, 1908 but	1908.
•	shall be guided by the principles of natural justice and, subject to	
•	the other provisions of this Act, the Adjudicating Authority shall	
	have powers to regulate its own procedure.	<u> </u>
•	Explanation For the purposes of this Act, the member of	-
Staff of	Adjudicating Authority includes the Chairperson thereof.	
Adjudicating	14-Y.(1) The Central Government shall provide each	
Authorities.	Adjudicating Authority with such officers and employees as that	
· = mentor ilico.	Government may think fit.	
	(2) The officers and employees of the Adjudicating Authority	
· · · · · · · · · · · · · · · · · · ·	shall discharge their functions under the general superintendence	

	of the Chairperson of the Adjudicating Authority.	
	(3) The salaries and allowances and other conditions of service of	
	the officers and employees of the Adjudicating Authority shall be	
	such as may be prescribed.	
Adjudication by	14-Z.(1) Any person aggrieved, (including any representative	
Adjudicating	body or organization) or any agent duly authorised by such	
Authority.	person or the Central Government or a State Government or a	
	Union territory Administration or the Central Pollution Control	
	Board or a State Pollution Control Board or a Pollution Control	
	Committee or a local authority, or any environmental authority	
	constituted or established under this Act or any other law for the	
	time being in force, may by an application, make a complaint to	
	time being in force, may by an application, make a complaint to	
	the Adjudicating Authority for any default or contravention of	
	the any provision of this Act or rules made or any order or	
	direction issued thereunder or terms and conditions of the	
	clearance, approval, authorization, permission, registration	
	made, given or granted to him in pursuance of this Act or	
	under any notification issued thereunder if such contravention	
	causes environment pollution.	
	(2) Every application under sub-section (1) and every appeal	
	under sub section (1) of section 14G shall be made to the	
	Adjudicating Authority having jurisdiction in respect of appeal	
	or application, as the case may be.	
	(3) Every application to in sub-section (2) shall be in such form	
	and be accompanied by such documents and other evidence for	
	default or contravention and environment pollution along-with	
	such fee for making the application under sub-section (1) as may	ì
	be prescribed:	
	Provided that different fees may be levied for different	
	class or classes of applicants.	
	(4) On receipt of the application under sub-section (1) or appeal	
	made under section 14G, as the case may be, the Adjudicating	
	Authority shall-	
	(a)issue summons requiring the respondent or respondents or	
	defendant or defendants, as the case may be, to show cause	
	within thirty days of the service of summons as to why the relief	
	prayed for in such appeal or application should not be granted;	
	(b) make a reference to the authority-or-board or commission	
	established under a Central or State Act which has been	ł
	conferred powers or assigned functions for the prevention,	
	control and abatement of environment pollution of the nature	•
	referred to such application or appeal, and such authority or	
	board or commission shall, within thirty days of receipt of such	
	reference, forward its views on such reference to the	
		1
	Adjudicating Authority.	
	(5) The Adjudicating Authority may, if it considers it appropriate,	
	may direct that the opinion of one or more experts in the field of	
	environment out of the panel referred to in section14-W, be	1

	obtained and such experts shall give his opinion, on the	
	environment pollution alleged in the appeal or application, within	
	thirty days of receipt of such direction.	
	(6) The Adirdication A. (1)	
·	(6) The Adjudicating Authority may, having regard to the	
	opinion of experts referred to in section 14-W, the views of the	
•	authority or board or commission received under clause (b) of	
	sub-section(4) and other factors referred to in that section, and	
	taking into taking into account all relevant materials placed on	
	record before it relating to default and environment pollution	
	caused by respondent or respondent and environment pollution	
	caused by respondent or respondents or defendant or defendants,	
	as the case may be, after giving the appellant or applicant and the	
· ·	uelendant or detendants an opportunity of being heard, and on	
	t being satisfied that the respondent or respondents or	
	defendant or defendants, as the case may be have made default	
	in complying with any provision of this Act or rules made or any	
	order or direction issued thereunder or terms and conditions of	
	the clearance approved authorization	
	the clearance, approval, authorisation, permission, registration	
	made, given or granted to him in pursuance of this Act or	
	under any notification issued thereunder and also caused	
	environment pollution, it may, by an order, after recording a	
	inding, impose such penalty as it thinks fit in accordance with	
	the provisions this Act:	
	(7) Where the Adjudicating Authority holds that an application	
	made before it under this Act, is false or vexatious, the	
	Adjudicating Authorities if it as the first firs	
	Adjudicating Authorities, if it so thinks fit, after recording its	
	reasons for holding such appeal or application to be false or	
	vexatious, make an order to award costs as it may consider	
	necessary.	•
	(8) Every appeal filed under sub-section (1) of section 14-G or	
	application made under sub-section (1), shall be disposed of	Ì
	within a period of six months from the date of filing of the appeal	
	or making of the application of the appeal	
	or making of the application, after providing the parties	
	concerned an opportunity of being heard,	
	(9) The Adjudicating Authority shall send a copy of every order	
	passed by it to the concerned parties.	
	(10) The penalty imposed on any occupier or any other person or	
	cost imposed by it shall be paid within a period of ninety days	
	from the date of the order.	1
	(11) Any penalty which a person is liable to pay under sub-	
	section (2) of 14-D or sub-section (6), shall, without	
	prejudice to section 15A, be recovered together with	
·	simple interest due thereon from the date of failure to hav	
	such penalty till the date of recovery of the penalty as an	
-	arrear of land revenue.	
Imposition of lesser	14ZA. The Adjudicating Authority about	
penalty in the cases	14ZA. The Adjudicating Authority shall impose, upon the micro	
of micro enterprise,	enterprise or small enterprise or medium enterprise, the lesser

	or any other such device installed or used or operated for registration, calibration or recording environment pollution or preventing environment pollution installed,	
	,be punished with imprisonment for a term which shall not be less than three but which may extend to five years, or with fine or	
	with both and in case of such failure continues, with an additional fine which may extend to five lakhs rupees for every day during which such default continues after the first such default or contravention.".	
Insertion of new sections 20A, 20B and 20C.	7. After section 20 of the principal Act, the following sections shall be inserted, namely:—	
	"20A.(1) Any rule which the Central Government is empowered	
	to make under this Act may, notwithstanding the absence of any express provision to that effect, provide for the levy of such fees	
	in respect of any application, amendment of document, issue of	!
	certificate, test, inspection, endorsement, giving of clearance of approval, grant of registration or authorization, supply of	İ
	statistics or copies of documents or orders, preparation and for	
	any other purpose or matters involving the rendering of any	
	service by the officers of the Central Government or authorities constituted under sub-section (3) of section 3 or officer of the	
	State Government under this Act or any rule made thereunder, as may be considered necessary.	
	(2) Without prejudice to the provisions contained in sub-section	
	(1), the Central Government may by rules, provide for levy of	
	fees for preparation and use of national data base on environment:	
	Provided that the Central Government may, if it considers	
	necessary so to do, in the public interest, by general or special	-
	order, exempt any class or classes of persons from the payment of such fee either in part or full.	:
Fee, etc., to be		
credited into	service by the officers of the Central Government including	
public account in certain cases.	clearance given, approval, registrationor authorization made,	
	given or granted to him in pursuance of this Act or under any	
	notification issued thereunder and for preparation and use of	
	national data base on environment shall be paid into the public account of India in the Reserve Bank of India.	
Fees to be credited		
into notified account in certain	service by the officers or the authorities constituted by the	

	17.03	2016
Substitution of new section 21. Members, officers and employees of the Adjudicating Authority and authority constituted under section 3 and adjudicating officer to be public servants. Amendment of section 24.	Central Government under sub-section (3) of section 3 including clearance or approval given, registration or authorization granted by it, and for use of national data base on environment in pursuance of any provision of this Act or rules made thereunder shall be paid into such account, in consultation with the concerned State Government as may be, specified by notification in the Official Gazette, by the Central Government." 8. For section 21 of the principal Act, the following section shall be substituted, namely:- "21. All the members, officers and employees of the Adjudicating Authority and authority constituted under section 3 and all other officers and other employees and adjudicating officer when acting or purporting to act in pursuance of any provisions of this Act or the rules made or orders or direction issued thereunder shall be deemed to be public servants within the meaning of section 21 of the Indian Penal Code.". 9. In section 24 of the principal Act, for sub-section (2), the following sub-section shall be substituted, namely:— "(2) Where any act or omission constitutes an offence punishable under this Act and the rules or orders or direction made or issued thereunder and also under any other relevant Act, then the offender found guilty of such offence shall be liable to be punished under that Act which imposes a greater punishment."	45 of 1860
Insertion of new sections 24A and 24B. Provisions of this Act to be addition and not in derogation of any law.	10. After section 24 of the principal Act, the following section shall be inserted, namely:- "24A. The provisions of this Act shall be in addition to and not in derogation of the provisions of any law for the time being in force.	· -
Power to amend Schedule.	24B.(1) The Central Government may, by notification in the Official Gazette, amend the Schedule by including therein any other default or contravention under other provisions of this Act or rules made thereunder or order, direction or clearance, approval, authorization, permission, licence, registration made, given or granted under this Act or omitting therefromany other default or contravention under other provisions of this Act or rules made thereunder or order, direction or clearance, approval, authorization, permission, licence, registration made, given or granted in pursuance of this Act or under any notification issued thereunder and on the publication of the notification such default or contravention shall be deemed to be specified in, or as the case may be, omitted from, the Schedule.	

(2) A copy of every notification proposed to be issued under subsection (1), shall be laid in draft before each House of Parliament, while it is in session, for a total period of thirty days which may be comprised in one session or in two or more successive sessions, and if, before the expiry of the session immediately following the session or the successive sessions aforesaid, both Houses agree in disapproving the issue of the notification or both Houses agree in making any modification in the notification, the notification shall not be issued or, as the case may be, shall be issued only in such modified form as may be agreed upon by both the Houses." Amendment of the security to be given by the occupier or other person under sub-section (3) of section 6; (i) the security to be given by the occupier or other person under sub-section (4) of section 6; (ii) the manner in which the prescribed security shall be returned under sub-section (4) of section 6; (iii) the manner in which the prescribed security shall be forfeited or invoked under sub-section (5) of section 6; (iv) after clause (d) the following clause shall be inserted, namely:— "(a) the manner of authentication of electronic record by the Central or State Governments or any officer empowered under sub-section (5) of section 11;"; (ii) after clause (g), the following clauses shall be inserted, namely:— "(ga) the form in which appeal be made and documents to be accompanied with such form and fees payable for filling appeal to the Adjudicating Authority under sub-section (1) of section 14-G; (gb) specifying the calculation of pollution of water under sub-section (2) of section 14-H; (gc) specifying the calculation of pollution of air under sub-section (2) of section 14-W; (gd) the composition of the Selection Committee and procedure to be followed by it under sub-section (5) of section 14-X; (ge) the salary and allowances payable to, and the other terms and conditions of service of the Members of the			
section (1), shall be laid in draft before each House of Parlament, while it is in session, for a total period of thirty days which may be comprised in one session or in two or more successive sessions, and if, before the expiry of the session immediately following the session or the successive sessions aforesaid, both Houses agree in disapproving the issue of the notification or both Houses agree in making any modification in the notification, the notification shall not be issued or, as the case may be, shall be issued only in such modified form as may be agreed upon by both the Houses." Amendment section 25. It is section 25 of the principal Act, in sub-section (2),— (i) the security to be given by the occupier or other person under sub-section (3) of section 6; (ii) the manner in which the prescribed security shall be returned under sub-section (4) of section 6; (iii) the manner in which the prescribed security shall be forfeited or invoked under sub-section (5) of section 6; (iv) after clause (d) the following clause shall be inserted, namely:— "(a) the manner of authentication of electronic record by the Central or State Governments or any officer empowered under sub-section (5) of section 11;"; (ii) after clause (g), the following clauses shall be inserted, namely:— "(ga) the form in which appeal be made and documents to be accompanied with such form and fees payable for filling appeal to the Adjudicating Authority under sub-section (1) of section 14-G; (gb) specifying the calculation of pollution of water under sub-section (2) of section 14-H; (gc) specifying the calculation of pollution of air under sub-section (2) of section 14-W; (gd) the composition of the Selection Committee and procedure to be followed by it under sub-section (5) of section 14-X; (ge) the salary and allowances payable to, and the other terms and conditions of service of the Members of the		(2) A copy of every notification proposed to be issued under sub-	;

	CHAPTER III				
	AMENDMENTS TO THE NATIONAL GREEN TRIBUNAL ACT, 2010				
Amendment of section 16.	of 13. In the National Green Tribunal Act, 2010, (hereafter in this Chapter referred to as the principal Act), in section 16, after clause (i), the following clause shall be inserted, namely:—				
	"(ia) an order made by the Adjudicating Authority under sub- section (6) orsection (7) of section 14DA of the Environment (Protection) Act, 1986;".				
Insertion of new section 16A.	14. After section 16 of the principal Act, the following section shall be inserted, namely:-				
"Condition to entertain appeal by Tribunal.	16A. Where an appeal is preferred by any person on whom the penalty has been imposed by an Adjudicating Authority under the Environment (Protection) Act, 1986, such appeal shall not be entertained by the Tribunal unless such person has deposited with the Tribunal fifty per cent. of the amount of penalty imposed upon him by the adjudicating authority.".
