GOVERNMENT OF MAHARASHTRA

ANNUAL REPORT

ON

THE ADMINISTRATION OF

“SCHEDULED AREAS”

IN

MAHARASHTRA STATE

FOR THE YEAR

2011-2012

CONTENTS

Year 2011-2012

Sr. No.	Name of the Subject	Page No.
1	Introduction	IX
2	Chapter I The Scheduled Areas and Scheduled Tribes in the State of Maharashtra	1 to 6
3	Chapter II Administrative Machinery for the Scheduled Areas	7 to 21
4	Chapter III Tribal Sub-Plan and Implementation of Tribal Development Programmes 2010-2011.	22 to 75
5	Chapter IV Measures against Exploitation of Tribal	76 to 86

GOVERNOR'S ASSESSMENT IN HIS REPORT TO THE PRESIDENT (2011-2012)

After the opinion of the Attorney General about the powers of the Governors regarding the Scheduled areas and the request of the Ministry of Tribal Affairs, I have established a Tribal Cell in my office to assist me in assessing the state of administration and Governance in the Scheduled areas of Maharashtra. I have had a series of meetings with the Chief Minister and the Ministers of Tribal Development, Women and Child Development and Food and Civil Supplies as well as the concerned officials to understand the initiatives being taken by the State Government as well as the challenges in the development of Scheduled Areas. I have encouraged officers of the Tribal Cell to hold wide ranging discussions with NGOs, academicians, research institutes, semi-Government Organisations, elected representatives and Government officials to understand the issues of tribal development from different perspectives. I have formed my assessment on the basis of inputs from all such discussions as well as the available data and the same is summarized below.

PANCHAYAT EXTENSION TO SCHEDULED AREAS ACT, 1996 (PESA)

Progress in PESA has been made over the years and a number of departments have made changes in their respective Acts. However, much still needs to be done about spreading awareness about this Act. In this context the state training academy, YASHADA has started training village level, functionaries about PESA. The PESA rules are at an advanced stage of preparation and have been sent to the Law and Judiciary department for its opinion. Regular instructions are also being issued by the Governor regarding delegation of functions to the appropriate levels of the Panchayats in keeping with the spirit of PESA. Definition of Gram Sabha and of villages in Scheduled Areas needs to be brought in line with that of PESA in all Acts of the state.

TRIBAL SUB PLAN (TSP) FUNDS

Since sizeable TSP funds go to Scheduled Areas, the extent of devolution of funds, delegation of functions, and of functionaries is important for PESA to take off on the ground. Without the decentralization of funds, functions, and functionaries it will not be possible to go beyond notional implementation. Hence, the State Government is being advised to go for greater decentralization of decision-making processes in the TSP budget. The delegation of administrative powers to the District Collectors in Scheduled Areas for the TSP budget would be a right step in the direction. Planning department has also taken some steps in the direction of district level micro-plans but there needs to be a more broad-based attempt in this direction.

It has been observed that while the Tribal Development Department is the Planning Authority in the State as far as the TSP funds are concerned, it has little say in the actual utilization of funds by the other Department like Education, Women & Child Development, and Health etc. Even the physical and financial achievement figures are not being shared with the TDD on time. The Project Offices of ITDP need necessary administrative and supervisory control over field level officers of other departments to ensure inter-departmental co-ordination. Greater incentives for officers to serve in remote tribal areas may also be considered. It is recommended that in the sensitive projects, senior and experienced officers may be posted.

IMPLEMENTATION OF THE SCHEDULED TRIBES AND OTHER TRADITIONAL FOREST DWELLERS (RECOGNITION OF FOREST RIGHTS) ACT, 2006.

There has been considerable progress in grant of individual rights. As of April, 2012 more than a lakh individual claims had been sanctioned. While these achievements are significant, focus now needs to be shifted towards community rights, including the rights over minor forest produce. Further, with a shift towards a regime of community ownership of minor forest produce by Gram Sabha, issues of hand holding, developing capacity buildings, and state intervention to reduce exploitation by middlemen are increasingly acquiring importance. The rules governing this new regime of ownership need to be framed.

It is also highly recommended that a Minimum Support Mechanism needs to be set up for the Minor Forest Produce so that Gram Panchayats are not exploited. The financial burden of such a mechanism can be supported through reimbursement from the Center to the State.

A mechanism for processing and value addition of minor forest produce will go a long way in increasing the holding capacity of the Gram Sabhas as well as better prices for the produce. The processing / storing can be done at a cluster level.

HEALTH

Data shows that there has been an improvement in basic health indicators over the years in the Scheduled Areas. However, traditionally health indicators in Scheduled Areas tend to lag behind the state average. Issues of vacancy and absenteeism of healthcare staff have serious implications for well being in Scheduled Areas. Training and mobilization of the community acquires importance in this context. PESA mandates that the

INTRODUCTION

1. To protect the interest of tribal, many safeguards are introduced and provided in the Constitution of India. As per 2001 Census, Maharashtra has a total tribal population of 85.77 lakhs. As per the Scheduled Area (Maharashtra) Order, 1985 the Scheduled Area is of 46531sq.kms. over 12 districts, 16 towns and 5809 villages with 49% of tribal population having predominant population of 45 tribes including 3 Primitive Tribes. The boundaries of Tribal Sub Plan area are coterminous with the boundaries of Scheduled Area.

2. The Fifth Schedule to the Constitution of India while defining the Scheduled Areas elaborates the provisions with regard to their administration and control thereof. Paragraph 3 more specially enjoins on the Governor of each State where there is Scheduled Areas in the State, to submit an Annual Report on the administration of Scheduled Areas in the State, to the President of Indian Republic.

3. According to the instructions and directions received from the Minister of State for Tribal Welfare, Government of India *vide* D.O. letter No. 18013 / 3 /86-TD (R), dated 15th January 1987 addressed to the Chief Ministers of the State and the views communicated thereon by this Government *vide* No. TRI-1087/CR-66/D-3, dated 12th January 1988, the Annual Report on the administration of the Scheduled Areas in the State has been prepared.

4. The present Annual Report for the year 2011-2012 has been compiled in the prescribed formats. This report includes details of the existing Administrative Machinery for the Scheduled Areas in Maharashtra.

5. The present annual report gives the conceptual background of the Scheduled Areas *visa-a-vis* the Tribal Sub Plan (TSP) areas in the State. Further, it spells out the details of the sectoral programmes implemented under the core sectors such as agriculture, co-operation, education and public health, while providing the financial provisions and the expenditure incurred thereon during the period under reference. It further makes a schematic appraisal under key sectors of the economy in the Scheduled Areas.

6. Finally, it reviews the protective legislation enacted for ameliorating the socio-economic conditions of the Scheduled Tribes in the State.

CHAPTER - I

THE SCHEDULED AREAS AND SCHEDULED TRIBES (STs) IN THE STATE OF MAHARASHTRA

1. In pursuance of the provision of sub-paragraph (1) of section (6) of the Fifth Schedule to the Constitution of India, the President of India declared certain areas in the State of Maharashtra as Scheduled Areas, *vide* (1) the Scheduled Areas (Part -A States) Order, 1950 and (2) The Scheduled Areas (Part-B States) Order, 1950. Subsequently the Government of India, Ministry of Law and Justice (Legislative Department) *vide* its Notification No.GSR-876, dated 2nd December 1985 notified the modified Scheduled Areas in the State of Maharashtra. The previously notified Scheduled Areas have by this notification been merged into the modified Scheduled Areas.

2. The Scheduled Areas of the State of Maharashtra are spread over 12 districts covering 50 tahsils. These comprise of 5809 villages and 16 towns covering an area of about 46531 sq. kms.

3. According to the 2001 Census, the total Tribal population of Maharashtra State is 85.77 lakhs. Maharashtra State ranks second in the country in relation to the total Tribal population, next to Madhya Pradesh.

0.58	Total ...	46531	5809	16	118.89	43.08

The Scheduled Areas and the Tribal Sub-Plan (TSP) areas

It is felt that even with the definition of the Scheduled Areas it was noted that deployment of funds for the development of these areas from the general plan programme was totally inadequate, as also with regard to the provision for the tribal population in general. It was therefore, decided to evolve a new strategy for the development of the Scheduled Areas. This led to the formulation of the Tribal Sub Plan.

7. In accordance with the guidelines issued by the Government of India, the State Government adopted the following criteria for identifying areas under the Tribal Sub Plan in the year 1975-76.

- (1) All villages in the Scheduled Areas (1950).
- (2) All Tribal Development Blocks.
- (3) All talukas having 50 per cent or more of tribal Population.

(4) Villages or areas which can be constituted as pockets outside the above mentioned areas or were contiguous to such areas and which together had a predominantly Tribal population and/or inclusion of which in the TSP areas was administratively expedient.

8. The total Tribal population of Maharashtra is 85.77 lakh, out of which 43.08 lakh Tribal population live in the aforesaid Scheduled Areas. 42.69 lakhs, that is, 49.78% of the Tribal population lives outside scheduled areas of the State.

9. Accordingly, the Government of India, Ministry of Law and Justice (Legislative Department) vide Extra-ordinary Notification No. 80183, Part-II, Section 3, sub-section (1) No. 521, dated 2nd December, 1985 under the Scheduled Areas (Maharashtra) Order, 1985 has declared the Scheduled Areas (these are co-terminous with the Tribal Sub Plan areas) in the State of Maharashtra.

10. The State Government, however, felt that in addition to the above-mentioned villages and tahsils 12 districts approved by the Government of India for inclusion in the Tribal Sub Plan areas, a large number of villages in the districts of Raigad and Gondia as also some additional villages in the districts of Chandrapur, Yavatmal and Pune should also be included in the Tribal Sub Plan areas. The State Government selected and declared 488 villages as additional Tribal Sub Plan (Additional Tribal Sub Plan) villages. The total population of the Additional Tribal Sub Plan areas comes to 5.64 lakh of which the Tribal population was 1.44 lakh.

11. The Government of India has also decided that a group of villages has a total population of about 10,000 and if more than 50% were tribals, the villages should be brought under the Modified Area Development Approach (MADA). Similarly if two or three villages have a total population of about 5000 and if more than 50% were tribals the same should be constituted into a Mini-Modified Area Development Approach Pocket.

12. There are 1528 villages with a total population of 10.68 lakh (out of which the tribal population is 5.84 lakh) included in the Modified Area Development Approach and Mini-Modified Area Development Approach Pockets. Some of the villages out of the Additional Tribal Sub Plan areas are included in the Modified Area Development Approach Pockets. Though, the Government of India declined to place these additional villages on the same footing as the main Tribal Sub Plan Areas approved by them, the State Government felt that the tribals living in these Additional Tribal Sub Plan, Modified Area Development Approach and Mini-Modified Area Development Approach Areas also needed special attention as per with the Tribal Sub Plan areas. The benefits available to the tribals in the Tribal Sub Plan areas as approved by the Government of India have been extended to the tribals of these Additional Tribal Sub Plan, Modified Area Development Approach and Mini-Modified Area Development Approach areas. A total of 2016 villages with a total population of 16.32 lakh of which the tribal population is 7.28 lakh now constitute Modified Area Development Approach and Mini-Modified Area Development Approach and the Additional Tribal Sub Plan.

13. Accordingly, at present, 5809 villages from 50 Tahsils of 12 districts, viz. Thane, Dhule, Nandurbar, Nashik, Jalgaon, Pune, Ahmednagar, Amravati, Yavatmal, Chandrapur, Gadchiroli and Nanded are approved by the Government of India for inclusion in the scheduled areas of the State. There are 5579 villages in the Tribal Sub Plan areas, 487 villages in the Additional Tribal Sub Plan area, 1203 villages in Modified Area Development Approach blocks and 295 villages in the Mini-Modified Area Development Approach blocks. As per the 2001 census, out of a total population of 968.79 lakh of the State, the tribal population is 85.77 lakh.

14. Out of the total Scheduled Tribes population of 85.77 lakh in the State 35.71 lakh (41.63%) have been covered in the Tribal Sub Plan + Additional Tribal Sub Plan + Modified Area Development Approach + Mini-Modified Area Development Approach areas. There are 50.06 lakh Tribals (58.36%) residing outside the Tribal Sub Plan, Additional Tribal Sub Plan, Modified Area Development Approach and Mini-Modified Area Development Approach areas. All the Scheduled Areas are now covered under the Tribal Sub Plan areas hence there is no separate programme for the Scheduled Areas. The Tribal Sub Plan commenced functioning since 1976 under a separate Major Head under the various major development heads of the plan.

16. The President of India declares the Scheduled Areas under the provisions of the Constitution of the State. The existing Scheduled Areas have been modified so as to encompass the areas covered under the Tribal Sub Plan areas in the State. Thus, the Scheduled Areas and the Tribal Sub Plan areas has become co-terminous.

The Scheduled Tribes (ST) of Maharashtra

16. The First Presidential Order notifying the Scheduled Areas was issued in 1950. This was subsequently modified in 1985.

17. There are 45 Scheduled Tribes in Maharashtra. Only 15 tribes have more than one lakh population as per 2001 Census which are Andes (3,72,875); Bhils (18,18,792); Gonds (15,54,894); Halba Halbi (2,97,923); Kathodi Katkaris (2,35,022); Kokna (5,71,916); Kolam (1,73,646); Koli Dhor (1,70,656); Koli Mahadeo (12,27,562); Koli-Malhar (2,33,617); Korku (2,11,692); Pardhan (1,26,134); Pardhi (1,59,875); Thakurs Thakar (4,87,696); and the Varli (6,27,197). The other tribes which have a population of less than one lakh but more than 10,000 are the Dhanka Tadvi (45,741); Dhanwar (20,120); Dhodia (9,636); Dubla (17,017); Gamit (86,776); Kawar (1,98,365); Naikda (Nayakas) (27,786); Orana (Dhangars) (28,921); Generic Tribes etc. (20,786).

18. The S.Ts living in the inaccessible areas have managed to maintain their cultural heritage through centuries of seclusion. Their characteristics, tribal dances and folklore are a part of their heritage. Their main occupations are agriculture, cattle rearing, wood cutting, collection of minor forest produce and selling these in the nearby markets. These different Scheduled Tribes have different historical backgrounds, cultural traits, dialects and dress, etc. Out of the above mentioned tribal communities, the 'Katkaris' in Raigad and Thane districts, the 'Kolams' in Yavatmal and Nanded districts and the 'Madia Gonds' in the Bhamragad area of Nandehiroli district have been declared as 'Primitive Tribes' by the Government of India and Central Sector assistance is sanctioned every year by the Government of India for the development of these Primitive Tribes.

Districtwise total and tribal population as per 1981, 1991, 2001 census of Maharashtra State as follows:—

Many developmental schemes - both infrastructural and individually benefit-oriented schemes are taken up under the Tribal Sub Plan. Most of the schemes are implemented by the concerned administrative departments of Government. For instance the scheme of construction of roads in the tribal areas is implemented by the Public Works Department. The Tribal Development Department (TDD) works as the nodal agency for all developmental works in the Tribal Sub Plan areas. The main role of the Tribal Development Department (under the Tribal Sub Plan) is co-ordination and monitoring. The Tribal Development Department is also responsible for budget control, grant of administrative approval, review and formulation of the policy for developmental works in the above sectors and areas.

ADMINISTRATIVE ARRANGEMENTS FOR THE TRIBAL SUB-PLAN

1. Tribes Advisory Council (TAC) :

The Chief Minister and Minister for Tribal Development are respectively ex-officio Chairman and Vice Chairman of the Tribes Advisory Council. It's main function is to advise the Governor of the State on important matters concerning tribal development and to decide on policy matters pertaining to the Tribal Development Department.

2. Cabinet Sub-Committee for the Tribal Sub-Plan.

At the State Level there is a Cabinet Sub-Committee for the Tribal Sub-Plan headed by the Chief Minister. This Committee is required to approve the formulation of the Tribal Sub Plan, supervise its implementation, and consider all the aspects for its successful and rapid implementation as well as do the monitoring of the Tribal Sub Plan.

3. Administrative Set-Up of the Tribal Development Department.

Earlier the field machinery of the Tribal Development Department was divided into two streams, viz., one under the Director of Tribal Development and the other under the Additional Tribal Commissioners (ATCs). This was not very effective. It had become necessary to reorganize the set up of the field machinery with a view to bringing it under a single line of command and thereby ensure smooth and effective working. The State Government therefore reorganized the field machinery of the Tribal Development Department vide GR. No. EST-1089/CR. No.799/D-15, dated 15th January, 1992. The salient features of the new pattern are as follows :—

(1) The Directorate of Tribal Development was upgraded to a Commissionerate of Tribal Development with headquarters at Nashik and for that purpose the post of the erstwhile Director of Tribal Development was upgraded to that of Commissioner in the super time scale of the Indian Administrative Service (IAS).

(2) With the setting up of a separate and independent Commissionerate of Tribal Development, the Secretary to Government in the Tribal Development Department has been left free to attend to Secretariat functions and has been relieved of field duties which he was earlier required to perform as Secretary-cum-Commissioner.

(3) The offices of the Deputy Directors of Tribal Development at Nashik and Nagpur have been respectively merged into the Offices of the Additional Tribal Commissioners at Nashik and Nagpur.

(4) In addition to the post of Additional Tribal Commissioner at Nashik and Nagpur, two new offices of Additional Tribal Commissioners have been started at Thane and Amravati respectively by redesigning and transferring the two posts of Joint Commissioner, Tribal Development of earlier Commissioner of Tribal Development and the monitoring cell of Commissioner's office.

(5) The Offices of the Tribal Development Officers have been merged into the Offices of the Project Officers (POs), Integrated Tribal Development Projects (ITDPs).

(6) The Commissioner has been declared as Head of the Department and the four Additional Tribal Commissioners as Regional Heads.

(7) The Additional Tribal Commissioners and the Project Officers are required to attend to the matters pertaining to tribal development including implementation of the schemes run by the Tribal Development Department such as Ashram Schools, Hostels, etc., as also to monitor the schemes under the Tribal Sub-Plan implemented by the other departments.

(8) Again in November, 1993 it was decided that 11 posts of Project Officers in sensitive projects should be upgraded, and filled in from among the officers belonging to the Indian Administrative Service and Indian Forest Services. The idea behind the Integrated Tribal Development Projects, was that various schemes and services should be integrated at the block level. The Project Officers of Integrated Tribal Development Projects did not have, overall powers of supervision and administrative control over the block level machinery of the other departments. Consequently, there has been a lacuna in the integration of services and supervision with accountability at the block level. To remove these lacunae the Government selected 11 sensitive Integrated Tribal Development Projects and appointed Indian Administrative Services and Indian Forest Services Officers and they have been declared, as Additional Collectors and Additional Chief Executive Officers of the concerned Zilla Parishads (ZPs). They have been given some of the powers that have been given to Collectors and Chief Executive Officers of the Zilla Parishads. The list of the Integrated Tribal Development Projects where Indian Administrative Service and Indian Forest Services officers, were to be posted is given below :—

Sr.No.	District	ITDP	Taluka
1.	Thane	Jawahar	Jawhar and Mokhada
2.	Thane	Dahanu	Talasari
3.	Nashik	Nashik	Peth
4.	Nashik	Kalwan	Surgana
5.	Nandurbar	Taloda	Akrani and Akkalkuwa
6.	Nanded,	Kinwat	Kinwat
7.	Amravati	Dharni	Dharni
8.	Amravati	Chikhaldara	Chikhaldara (This has now been merged with the post of PO, Dharni and the ITDP at Pandharkawada, District Yavatmal upgraded and the PO's post shifted there.)
9.	Gadchiroli	Gadchiroli	Dhanora and Kurkheda
10.	Gadchiroli	Bhamragad	Etapalli
11.	Gadchiroli	Aheri	Aheri and Sironcha.

(9) In March-1995 two posts of Deputy Commissioners in the Tribal Development Commission have been upgraded and declared as Joint Commissioners (JC), Tribal Development, in the grade Rs. 12000-16500. In order to have proper supervision, monitoring, etc. These posts have been created for collecting various types of information from the Integrated Tribal Development Projects and other departments implementing various schemes in the Tribal Sub-Plan areas. The posts of Joint Commissioners have also been created so that the departmental officers who would otherwise have no chance for further promotion have an avenue of promotion.

(10) Thus the new set up aims at achieving a single and unitary line of command attending to the functions of Tribal Development as a whole. The new set up has abolished the functional distribution of work between the two field organisations and is expected to go a long way in achieving development of the tribals.

Each of the Additional Tribal Commissioners has the following territorial Jurisdiction :—

Name	Jurisdiction	ITDPs	Nos.
A/T/C, Thane	Konkan Revenue Division (Mumbai, Thane, Raigad, Ratnagiri and Sindhudurg, district) and Pune Revenue Division (Pune, Solapur, Satara Sangli and Kolhapur district).	Shahapur, Dahanu, Jawhar, Pen, Chodegaon and Mumbai for the OTSP).	06
A/T/C, Nashik	Nashik Revenue Division (Nashik, Ahmadnagar, Dhule, Nandurbar and Jalgaon district)	Nashik, Kalwan, Rajur, Nandurbar, Taloda and Yawal.	06
A/T/C, Amravati	Aurangabad Revenue Division (Aurangabad, Jalna, Beed, Latur, Osmanabad, Parbhani and Nanded district) and Amravati Revenue Division (Amravati, Hingoli, Yavatmal, Akola, (for the OTSP) Washim and Buldhana district)	Kinwat, Pandharkawada, Dharni Aurangabad and Akola.	05
A/T/C, Nagpur	Nagpur Revenue Division (Nagpur, Bhandara, Wardha, Chandrapur, Gadchiroli, Gondiya district).	Nagpur, Deori, Chandrapur, Chimur, Gadchiroli, Aheri and Bhamragad.	07

24

DEPARTMENT AT MANTRALAYA LEVEL-SECRETARIAT

The Tribal Development Department is headed by a Cabinet Minister who is assisted, by a Minister of State.

The main functions of the office of the Secretariat are State level co-ordination and monitoring of the Tribal Sub-Plan and supervision of the implementation of various schemes by the Integrated Tribal Development Projects. Since the year 1993-94 the preparation of the Tribal Sub-Plan is done by the Tribal Development Department.

Commissioner Level

The Commissioner of Tribal Development's main function is State level co-ordination and monitoring of the Tribal Sub-Plan and control over the offices of the Additional Tribal Commissioners and the Project Officers of the Integrated Tribal Development Projects with the assistance of Joint Commissioners.

Divisional Level

The four Additional Tribal Commissioners assist the Commissioner, Tribal Development. Their main responsibility is regional co-ordination and monitoring and implementation of departmental Schemes.

The Tribal Development Department Class (BC) Welfare Sector pertaining to the tribals also implements the schemes under the Backward Class. These schemes primarily relate to tribal education (Ashram Schools, created for Scheduled Tribes boys and girls, grant of scholarships, tuition fees, etc.) the schemes of economic development (supply of electric motors and oil engines to tribal cultivators) and training programmes such as employment training centres and motor driving training centres.

The Divisional Commissioners of the six Revenue Divisions of the State are responsible for implementation of the Tribal Sub-Plan programs in their respective regions. They guide and direct the Collectors and Chief Officers (COOs) of the Zilla Parishads in their respective divisions in the matter related to tribal

DISTRICT LEVEL

District Planning & Development Councils

The State Government adopted a policy of balanced development on the basis of the district as the unit of planning and formulation of plans on the basis of which five year and annual plans could be formulated. Accordingly, since 1974 District Planning is being implemented in the State. For proper implementation of District Planning, the District Planning and Development Councils (DPDCs) have been constituted in every district. Every district has a Minister/Minister of State for the purpose of ensuring the proper development of the districts. These Ministers are called District / Guardian Ministers. The District Planning and Development Councils of the district is headed by the District Minister. Any other Minister(s) elected from the district are Joint Chairmen and the Divisional Commissioner is the Vice-Chairman. The District Planning and Development Councils also consists of all elected members of the Lok Sabha, Rajya Sabha, the Vidhan Sabha and the Vidhan Parishad residing in the district. The Presidents of the Zilla Parishads, one President from the Municipal Councils, and a representative of the lead Banks are also members of the District Planning and Development Councils. The Collector of the district is the Member-Secretary of the District Planning and Development Councils. The District Planning and Development Councils have been mainly entrusted with the function of formulating district plans and monitoring the implementation of district level schemes in districts. They have also been given powers for re-appropriation of funds for district level schemes subject to certain overall guidelines from Government.

In order to ensure public participation in the planning, implementation and monitoring of the schemes for tribal development at district level, Special Executive Committees have been constituted under the District Planning and Development Councils in the 14 tribal districts. These Committees consist of the District Guardian Minister as Chairman and all the tribal MLAs, MLCs with the Additional Tribal Commissioner as Vice-Chairman. The Collector of the District, functions as the Member-Secretary of the Committee and the Project Officer of the Integrated Tribal Development Project is the Joint-Secretary. The Presidents of the Zilla Parishads and the Chairman of the Tribal and Social Welfare Committee of the Zilla Parishad are members of the Committee. The Committee is expected to meet once in a Quarter and review and monitor the implementation of the schemes taken up under the Tribal Sub-Plan.

There is no separate full time district level officer of the Tribal Development Department for the implementation of Tribal Sub-Plan schemes, apart from the district officers of the various Departments who are implementing the schemes of tribal development department. However, the Collectors of the districts and Chief Executive Officers of the Zilla Parishads are designated as Ex-Officio Additional Tribal Commissioners. In this capacity, the Collectors are responsible for overall supervision of the implementation of the schemes of tribal development in their district. The Chief Executive Officers of the Zilla Parishads are responsible for the implementation of the schemes under the local sector, which are mostly with the Zilla Parishads. For proper and effective co-ordination, the Project Officer's of the Integrated Tribal Development Projects are placed under the Additional Tribal Commissioners.

Project Level

At the Project level, there is a Project Level Implementation Committee (PLIC) under the Chairmanship of the local MLA. The Additional Tribal Commissioner is the Vice-Chairman, Chairman of the Panchayat Samiti and tribal persons nominated by Government are members, while the Project Officer is the Member-Secretary of this Committee. All the implementing Officers are members. This Committee is required to meet once every month and review the progress of tribal development schemes.

The Project Officer is the implementing officer in so far as the Backward Class Welfare Sub-Sector of the Plan is concerned. He has to implement the schemes of Ashram Schools, running of Government Hostels, sanctioning of Government of India Scholarships, sanctioning of motor-pumps and oil engines, etc. He has to carry out the following duties in his project areas :—

- (1) registration and sponsoring of candidates with various agencies for employment;
- (2) sanction of tuition fees and examination fees under the Government of India Scholarships;
- (3) preparation of various schemes under the Special Central Assistance ;
- (4) Preparation of various types of reports of the project and monitoring/co-ordination with implementing officers of the various departments in the project area;
- (5) Preparation of the annual Tribal Sub-Plan;

(6) to help the Tribal Research & Training Institute in 63 evaluating the various schemes implemented in the Project;

(7) to help the Tribal Research & Training Institute staff in Bench Mark Survey work;

(8) to provide employment to the tribals in the project area by way of Employment Guarantee Scheme (E.G.S) works; and

(9) to propagate various schemes implemented in the project with the help of the publicity unit attached to the project.

THE TRIBAL RESEARCH & TRAINING INSTITUTE (TRTI), MAHARASHTRA STATE, PUNE

INTRODUCTION

Your of Establishment, status and organizations of the Institute.

The Tribal Research & Training Institute, Maharashtra State, Pune was established on 1st May 1962. The Institute is working under the Government of Maharashtra and has been providing the Tribal Development Department of Maharashtra necessary support in terms of research and capacity building and is functioning as a knowledge and information hub in the state for all those interested in Tribal affairs. A Tribal museum and a Cultural Unit that is engaged in preservation and propagation of Tribal culture.

The Institute is headed by Commissioner. He is assisted by Joint Director and Dy. Director (I.A.D.P.), District and District Guardian also working under the Commissioner for Validation of Caste certificate issued to the tribals. The Institute has a Governing body headed by the Hon. Minister of the Tribal department.

The Institute supports a subsidiary institution named The Maharashtra Tribal Empowerment Society which undertakes capacity building and development works for the 45 scheduled tribes notified in Maharashtra and also provide positive interface to those studying tribal issues.

Objectives of the Institute

- To conduct basic as well as applied research on tribal related issues.
- To take up evaluation of various schemes aimed at Tribal development and welfare.
- To impart relevant training to different levels of personnel in the tribal development.
- To provide competence building opportunities to the Tribals.
- To develop and maintain knowledge base related to the tribes and Tribal development.
- To preserve and propagate the culture, heritage and traditions of Tribes.
- To disseminate information about the Tribes and their indigenous knowledge and skills.

Infrastructure and facilities

The Institute is housed in a three storey building having two training / conference halls. There is a hostel for 30 trainees. The Institute has one mini-bus to provide transportation facilities to the trainees.

Library - It has a well equipped library consisting of books on various subjects like Anthropology, Sociology, Economics, Law, Computer Science, General Encyclopedia etc. The library has books required for competitive examinations also and subscribes to periodicals relevant in the areas of tribal development. Total there are about 21,539 books in the library. This library is visited by a number of Research scholars and Post-Doctoral Fellows as reference library.

A Bi-annual Tribal Research Bulletin is published by the Institute, since 1979 onwards. In the year 2012 this institute has published March 2012 issue. The issue of September 2012 bulletin is progress.

The institute has a separate computer unit with a Server working for this institute and also for District Scrutiny Committees. A Software for online dissemination and monitoring of cases decided by the District Scrutiny committees is in place.

The institute has a website (<http://trtimah.gov.in>) of its own with e-governance friendly features like Right to information sections, FAQs section etc.

The institute got National Award on e-governance, Silver on Use of Geo- informatics in Implementation of Right to Information Act, 2006 in Maharashtra State under the category Exemplary Re-Use of Information and Technology Solution.

4. Staff and Faculty strength

The Government has sanctioned 66 posts of different cadre for the institute to undertake evaluation, training and related activities. The Government has also sanctioned 297 posts of different for the eight Caste Certificate Scrutiny Committees working in various part of the state. The TRTI support to the committees in terms of provision of ethnographic details as well as other relevant information and data about the tribes while it simultaneously uses the verification details compiled by the committee Research Officer for updating records. The officers and staff, the with background of Anthropology, Social work, Statistics, Accounting, Cameraman for photography and film making, Artist cum Secretary Curator and also those with enormous field experience provide valuable support to meet the objectives of the Institute.

5. Training

The Institute has been conducting different training programmes for effective implementations of schemes in short period.

In-service training programme

Since 1970, this institute has been conducting in-service training programmes. It includes providing with necessary facilities and opportunities to acquire knowledge develop skills and cultivate attitude behavior and habits for the efficient and effective discharge of their duties and responsibilities.

The aims and objectives

1. To update the knowledge of the participant working in the tribal development department.
2. To update the knowledge of rules and procedures of service condition.
3. To assist the trainees in better performance of their duties with the maximum degree of efficiency at the minimum cost.

Other training programme

(A) Training Programmes for competitive examinations

The Government of Maharashtra has recognized that there is backlog of tribal community in different Government Departments. To eradicate the problem, this institute has been conducting training programmes for different competitive examinations which are being conducted by Maharashtra Public Service Commission and other recruitment boards. It includes guidance for not only written examination but also for interview techniques.

The main aims of the programme

1. To extend full information and the nature of competitive examination which are being conducted by Maharashtra Public Service Commission and other recruitment boards.
2. To motivate the tribal youths for appearing different competitive examinations.
3. To give the guidance by experts about the syllabus of general competitive examination.
4. To acquaint the tribal candidate with practical guidance for personal interview techniques.

(B) Training programme for tribal youths

The institute also conducts youth leadership training programmes for tribal youth in tribal sub plan areas all over the state. Intention of this programme is to give the publicity of different schemes for tribal implemented by the Government of Maharashtra. It provides platform for the implementing authorities to reach the beneficiaries.

Aims and objectives of the training programme

1. To update the knowledge of the trainees about different schemes of tribal welfare.
2. To motivate them for taking advantage of different schemes this may be helpful in ameliorating their socio-economic conditions.
3. To motivate them for accepting new technology in agricultural production.
4. To motivate them for further education of tribal youth

like research training programmes

During the year 2011-2012 the institute has conducted total 123 training programmes; out of which 93 training programmes are for in-service, 6 training programmes for competitive examinations and 24 Youth Leadership Programmes. Total 3883 participants have benefited.

In-service training programmes		Other training programmes		Total training programmes	
No. of training programmes	No. of trainees	No. of training programmes	No. of trainees	No. of training programmes	No. of trainees
93	2690	30	1193	123	3883

Special Training Programmes

Tribal Research and Training Institute also conducted the ten days Special Training Programmes for Primary, Secondary and Higher Secondary Teachers, and other staff of all Ashram Schools in all over Maharashtra. 3448 in service persons were trained through this special drive.

B) Research / Evaluation and Survey Projects

The institute conducts applied and evaluation research on various problems of Tribal people. The projects are suggested either by the Central Government or by the State Government. Some of the research projects are taken up by the institute on its own. As decided by the Governing Council, the priority amongst the research projects is fixed up in the following order.

1. The subjects assigned by the Government of India.
2. The projects suggested by the State Government.
3. Subjects selected at the institute level.

The project reports prepared by the institute have been proved to be of immense help to the Government for both, policy making and formulating suitable schemes.

The position of the evaluation study/surveys undertaken by the institute in the year 2011-2012 is as follows :-

Sl. No.	Name of the Subject of Survey	Status
1	Evaluation Study of the "Schemes Construction of Gharkul to Tribal beneficiaries".	Completed
2	Evaluation Study of progress of tribal students residing in the hostel of Sanjeevani Vidyalay for education in Panhngani of Tahsil Mahabaleshwar, Dist. Satara.	Completed
3	Evaluation Report of the scheme supply of water through tap implemented by Zilla Parishad to Ashram School Complex.	Completed
4	Evaluation of benefits accrued due to supply of Oil Pump/ Electric Pump / H.D.P.E. Pipes to Tribal beneficiaries.	Under progress

Also a new proposal of Rs. 3674.43 lakh of Bench Mark Survey for the year 2011-2012 has submitted to Government for sanction.

(7) RESEARCH FELLOWSHIPS

A. State Government Research Fellowship :

The Government of Maharashtra has awarded Research Fellowship to two research scholars year on the basis of Central Government Research Fellowship. The fellowship is awarded with a view to encourage in-depth study of the process of socio-economic change in the tribal areas of tribal communities particularly in the wake of new development efforts.

Selected research scholars are awarded fellowships of Rs. 2,800 per month and contingency grant of Rs. 10,000 per year. The tenure of fellowship is two years, which can be extended by one more year in deserving cases. In the year 2011-2012, two Research Fellows are awarded fellowship. Their details are as follows :—

Sr. No.	Name of the Research Fellow	Subject	Period of Research Fellowship
(1)	(2)	(3)	(4)
1	Kum. Borhade Manik Uttam	A study of rehabilitation of project affected tribals in Pune District	Year 2011-12 and 2012-13
2	Kum. Adadande Ashwini Annasaheb	A deep study in respect of Education, Economic, Social and Health Problems of Katkari Community and their migration.	Year 2011-12 and 2012-13

Central Research Fellowship:

Under the Centrally Sponsored Scheme of research and training the Ministry of Tribal Welfare awards fellowships annually for doing Doctoral and Post Doctoral courses on Tribal Development.

The Government of India awards two scholarships amounting to Rs.2800 per month for Doctoral and Rs.1200 per month for Post Doctoral fellowship. The contingency grant of Rs. 10,000 per annum is also provided to these scholars. The tenure of these fellowships is generally of two years, which can be extended by one or more in deserving cases.

In the year 2011-2012 no fellowship from Maharashtra State was awarded by the Central Government.

Tribal Cultural Museum and Cultural Unit

Various schemes for the preservation of Art and Culture have been implemented by the Tribal Research and Training Institute, 28 Queen's Garden, Pune-1.

They are :-

State Level Tribal Handicraft Exhibition

To promote and develop the tribal art and culture, this institute organises State Level Tribal Handicraft Exhibition every year. Tribal artisans get a chance to display their art forms as well as earn money. The tribal artists from all over Maharashtra are invited to participate in the exhibition. Each Participant is given T.A., D.A. and accommodation. T.R.T.I. makes arrangements for exhibition venue.

In the year 2011-2012 the exhibition was organized from 09th January 2012 to 13th January 2012 in the premises of Tribal Research and Training Institute, Pune. 65 artists from all over Maharashtra were invited to participate in the exhibition. Out of that 53 artists participated.

The exhibited articles were handicrafts wooden articles, bamboo work, warli paintings, paper mashed work and herbal medicines. The total sale was of Rs. 6.5 lakh.

Warli Painting Competition

Warli painting competition is organized every year for Warli and Malhar Koli artists from Thane district. This competition is held in two parts i.e. for adults and for Warli and Malhar Koli students in Thane district. They are given painting material like cloth, colours and brushes. They are also given T.A. D.A. (for one day), prizes and certificates. In the year 2011-2012 Warli Painting Competition was organized at Khutal, Taluka Thane, Dist. Thane. Total 33 artists and 61 students participated in the competition and were awarded cash prizes.

Tribal Dance Competition

To keep the traditional dancing alive, the Institute organises dancing competition at the project level through the Project Officers at I.T.D.P. areas. The participants from dance groups are given T.A., D.A. cash prizes and certificate.

Tribal Cultural Festival

The Government of India had sanctioned this Institute Rs. 6.00 lakh to organise Tribal cultural festival in Maharashtra. This festival was organized from 05th January 2012 to 07th January 2012. Total 53 tribal dance groups and 7 tribal dance groups participated in the festival. Film show of the films produced by Tribal Research and Training Institute was also the part of the festival.

Production of Documentary Films

This Institute produces the documentary films on the tribal art and culture. Up to the year 2011-2012 the Institute has produced 90 documentary films on development, art and cultural aspects of tribals in Maharashtra.

Tribal Cultural Museum

The tribal cultural museum was established in the year 1964-1965. The various sections of the tribal museum such as ornaments, musical instruments, mask, warli paintings and agricultural implements are displayed in different rooms. Traditional Adivasi Huts are also displayed here, there are 1350 artifacts displayed in the museum.

The museum is renovated this year.

VERIFICATION OF SCHEDULED TRIBE CASTE CERTIFICATE

There exist eight Scrutiny Committees for Scheduled Tribes located at Pune, Nasik, Nagpur, Aurangabad, Amravati, Gadchiroli and Nandurbar.

Any person desirous of availing of the benefit or concessions provided to the Scheduled Tribes can apply for verification of Caste Certificate issued to him by the competent authority. Scrutiny Committee also acts as appellate authority against the order of rejection of the competent authority authorised to issue caste certificate.

The performing of eight Scrutiny Committees in the year 2011-2012 is as follows—

No. of cases pending for the year 2010-11	No. of cases received in the year 2011-12	Total cases	No. of cases disposed of in the year 2011-12				
			Valid	Invalid	Re Verification	Closed	Transferred to other committees
37,645	60,459	98,104	76,990	1,078	71	3,423	3

(2) THE MAHARASHTRA STATE CO-OPERATIVE TRIBAL DEVELOPMENT CORPORATION LIMITED, NASHIK (TDC)

MSCDC was registered in 1972 as a General Society under section 12(1) of Maharashtra State Co-operative Societies Act as a Promotional Organization. Its ownership is vested in Government of Maharashtra. Subsequently the creation of the separate department of Tribal Development in the year 1983 the TDC came under administrative control of the Tribal Development Department.

1. Establishment

The Maharashtra State Co-operative Tribal Development Corporation Limited, Nashik has been established in the year 1972 for the economic development of tribals in Maharashtra State as per provision in Article 16 of the Indian Constitution.

2. Objective and Aims

1. To work as an effective implementing agency to extend welfare programme of the Government for the tribals in the State of Maharashtra.
2. To Act as an effective agency to prevent economic exploitation of tribal farmers, artisan laborers.

Major Activities

MONOPOLY PROCUREMENT SCHEME

The Monopoly procurement scheme started during 1977-78 in seven tahsils of TSP area on pilot and is now implemented in total 73 tahsils out of 15 districts in view of response and popular demand in tribal areas. Now this scheme has been suspended for one year *vide* Government's Resolution dated 7th March 2008. Presently Corporation purchases the Minor Forest Produce under Monopoly procurement scheme. Paddy, Jowar, Bajari and Maize under Price Support Scheme.

In the year of 2011-12 the corporation implemented the scheme through total 463 procurement centers and the notified minor forest produce commodities at 24007.75 Qtls. Costing Rs. 378.47 lac have been purchased under Monopoly Procurement Scheme. This has been enabled through 302 purchase centers of Sub-committees whereas 161 purchase centers opened by TDC.

As per Government Resolution issued by F.&C.S. Department, Mantralaya, Mumbai the Corporation made purchase of Agricultural commodities at 11,96,648.13 Qtls. Costing Rs. 11,993.92 lac under Price Support Scheme. Therefore under both the schemes i.e. Monopoly purchase of MFP items and price support scheme the total purchase have been made of 1220655.88 Qtls. worth Rs. 12,372.39 lac.

(A) Procurement of Agricultural Produce Commodities

In the year of report 2011-2012 as on 31st March 2012 total under P.S. Scheme agricultural commodities to the tune of 934365.25 Qtls. Worth Rs. 10091.30 lac have been procured. The details of major commodities are as under.

(Weight in Qtls. and Value in Rs. lac)

Sr. No.	Major Commodities	Procurement 2009-2010 & 2010-2011		Procurement 2010-2011 (2009-10 & 2010-11) Dt. 01.04.2010 to 31.03.2011	
		Weight	Value	Weight	Value
01.	Paddy	1194358.00	11973.77	933607.00	10083.8
02.	Jowar	37.90	0.33	0.00	0.0
03.	Maize	2252.18	19.82	757.52	7.4
	Total	1196648.08	11993.92	934364.52	10091.3

(B) Sale of Agricultural Produce Commodities

A policy has been adopted to sale agricultural produces at remunerative price while selling commodities procured under monopoly procurement. Taking into consideration the fluctuating market observed from the past experience the Corporation has followed a flexible policy of sale in the year of 2011-12. This has enabled to secure gainful sale returns. Under Price Support Scheme the Corporation has to purchase the purchased paddy and handover the CMR (Custom Milling Rice) to the Food Corporation of India Ltd. per Government Resolution. Accordingly, the districtwise procured paddy is processed and the output of rice is sent to the authorized depts. of the Food Corporation of India Ltd. by the miller.

(C) Procurement of Minor Forest Produce.

As per the State Government notification dated 7th March 2008 the Monopoly Procurement was suspended for one year. In the year 2011-12 under MPS Scheme minor forest produces to the tune of 28030.43 Qtls. worth Rs. 379.96 lac have been purchased out of total 23 notified M.F.P. items.

(2) Supplies to Government Ashram Schools

In the year 2010-2011 the Corporation has supplied various foodgrains grocery and other articles to Government Ashram Schools as well as 200 Government Hostels. In pursuance of Government Order dated 05th May 2009 foodgrains are provided to Ashram School under the rates fixed by purchase committee headed by Commissioner, Tribal Development, Nashik. The Government sanction 3% amount of supply for transportation expenditure.

(ii) Door-step Delivery

Earlier the rationing shop owners from tribal area had to procure rationing commodities from the godowns located at Tahsil level. Government had observed that such shopkeepers used to dispose off the stocks directly at Tahsil level thereby depriving of the tribals from the commodities under fair price rates.

Therefore to ensure the guaranteed and uninterrupted supply of rationing items at tribal villages, the State Government have assigned this job to TDC for supply of rationing items under PDS at the doorstep of the village where such rations shops are located. This has assured guaranteed and timely supply of rationing items to the tribals situated at remote places. Corporation have implemented the scheme with the help of total 148 delivery vans.

(4) SUPPLY OF ELECTRIC MOTOR PUMP AND OIL ENGINES TO TRIBAL FARMERS

The scheme envisages improvement of agricultural yields of the tribal farmers by providing them irrigation facilities. It enables them to undertake cultivation of different cash crops rather than for the additional low yielding crops.

The tribal farmer having minimum 1.5 acre and maximum 16 acres of self cultivated land holding with nearby source of water available by way of well, river or nala is eligible for the scheme.

The selection of the beneficiaries under this scheme is done by the separate Task Force Committee. Such committee consists of concerned Project Officer (ITDP) as Member Secretary, concerned B.D.O., Assistant Engineer of MSEB, Regional Manager, TDC, Dy. Engineer of Small Irrigation Sub-Division and M.L.A. of the concerned Tahsil etc. work at every project level and finalise the selection.

The list of the beneficiaries selected and finalized by the said committee according to budget allocation handed over to the corporation for supply and installation.

Government have entrusted this work to TDC in the year 1980-81 and after wards till 2010-2011, total 1044 Electric Motor Pump sets and 81857 oil engines have been sanctioned by the Tribal Development Corporation to the tribal farmers in 23 Districts of the State.

(5) Supply of Domestic Gas (14.2 Kg.) for BPL Tribal Families.

Government of Maharashtra, Tribal Development Department, vide Government Resolution Vernacular No. २००६/प्र.क्र.०६/का-१७, दि. ४ ऑक्टोबर २००६ have resolved to supply cooking gas units from Special Central assistance to 23991 tribal families under Below Poverty Line income group for the year 2005-06, accordingly vide Government Resolution dated 20th October, 2006 the Government has also sanctioned this scheme for further 1,00,000 tribal families under BPL from the State plan provision.

Selection of the beneficiaries is done by the Project Officer, Integrated Tribal Development Project. liquefied Petroleum Gas cylinders and regulators under this scheme are being made available by the Public Sector Oil companies and the entire gas unit is being supplied and delivered to the concerned beneficiaries by the TDC.

(6) NAVASANJEEVAN YOJANA

(I) Consumption Finance Scheme

The Consumption Finance Scheme is being implemented in Tribal Sub Plan Area since 1978 provides for the consumption requirement of the needy families during the lean period.

According to this revised Policy State Government decided to raise the limit of loan and measure features of scheme are as under :—

1. The consumption finance scheme is implemented through Maharashtra State Co-operative Tribal Development Corp. Ltd., Nasik.

2. The scheme is applicable district to Tribal Sub Plan and Out Tribal Sub Plan areas.

3. Government directed to distribute consumption loan as 70% amount is to be given as a loan and 30% amount as a subsidy.

4. The loan envisages 70% portion in kind as food grains and 30% portion in cash. State Government has fixed the limit of loan distribution under rives scheme is as under

The State Government *vide* its Resolution dated 19th June 2009 has taken a revolutionary decision by giving mass amnesty to the outstanding consumption loan of Rs. 184.37 crore which was distributed to the tribal families, during the period 2003-2004 to 2007-2008.

The Consumption Finance loan distributed during the season 2009-2010 to 2011-2012 is as under :-

Season	Loan Distributed	
	Beneficiaries	Amount (Rs.)
2009-2010	2,00,000	6139.14
2010-2011	4,00,000	12630.15
2011-2012	3,00,000	9398.16

(7) Share Capital and Capital Redemption Fund

(A) Share Capital

The authorized share capital has been raised up to Rs. 200 crores. Out of this 49% share is to be contributed by Central Government whereas 51% is to be contributed by State Government.

Vide Government Resolution dated 24th August, 2004, a policy has been made by State Government to contribute Rs. 20 crores each year to the Corporation so as to make it self sufficient.

Sr. No.	Particulars	Share Capital contribution ratio
01	Central Government	49%
02	State Government	51%
03	A.V.K.S.Share Capital	...
Total

Provision for Share Capital Redemption Fund is made out of Net Profit of the Corporation.

Future Programmes

- ❖ Corporation do not have its own sufficient godowns and office buildings. As such Corporation has to pay huge amount on rent, Moreover the godowns of AVKS Societies are not in proper condition all due to inadequate storage capacity of the godowns, this corporation has to suffer losses due to shortages. Therefore a decision has been taken to construct own storage godowns and office buildings. Accordingly in pursuance of Board of Directors decision, godowns shall be constructed at 57 cents on the pattern of A.P.M.C. and for Centers on the pattern of Maharashtra State Marketing Federation. Accordingly necessary action for construction of godowns and offices has been taken. The construction work of 2 godowns in Chandrapur has been started. Remaining work of construction of 3 godowns at Gadchiroli and 1 in Nandurbar will be started after obtaining approval of Government Technical Committee.
- ❖ The Corporation shall remain committed to protect tribal farmers and tribal artisans from economic exploitation as well as to ensure proper utilization of Agriculture Produce and Minor Forest Products for better marketing through scheme implemented by Central and State Government.
- ❖ To implement scheme for supply of H.D.P.E./P.V.C. pipes alongwith Oil Engine and Electric Motor Pumps of tribal farmers.
- ❖ To provide training for Honey Bee farming with help of Khadi Gramodyog Mahamandal.
- ❖ To implement the scheme for supply of package of agriculture tools and seeds on basis of subsidy under Oil Engine scheme, as per Government approval.
- ❖ The Corporation propose to implement the scheme of Govt. Ashram School and Hostel Building repair and Water Supply Scheme.
- ❖ Corporation plans to distribute Solar Lamps on subsidy basis to the beneficiaries of Consumption Finance Scheme.

MONITORING AND EVALUATION

For monitoring of the tribal development programmes apart from the various authorities viz. the District Tribal Commissioners, the Special Executive Committee of the District Planning and Development Councils, the Project Level Implementation Council, etc., mentioned in the earlier paragraphs of this Chapter, there is the Chief Secretary's Co-ordination Committee on Tribal Development with the Secretaries of the concerned administrative departments as members and the Secretary, Tribal Development as Member-Secretary. This Committee periodically reviews and monitors the implementation of the schemes taken up under the Tribal Sub Plan.

The Planning and Monitoring cell in the office of the Commissioner, Tribal Development at Nashik monitors the implementation of the various tribal development schemes and one of the Deputy Commissioners is entrusted with this task. This Cell collects information from various authorities, tabulates the data collected and suggests taking of / takes further action as may be necessary.

The Tribal Research and Training Institute, Pune is the main agency for evaluating important schemes of tribal development. It has evaluated a number of schemes and published evaluation reports. There is a Project Level Committee headed by the Secretary of the Tribal Development Department which looks into the follow-up action taken by the concerned Departments on the evaluation reports. In addition to this, the services of other agencies are also engaged for the evaluation of certain important schemes. Regular concurrent evaluation is also done by the Project Officer of the concerned Integrated Tribal Development Projects.

Personnel Policy

The tribal areas are characterized by isolated and difficult terrain with lack of facilities. Officers are, therefore, reluctant to work in the tribal areas. Realizing the importance of the role to be played by the Project Officers of the Integrated Tribal Development Projects, the State Government has given the following facilities to them :—

(a) Retention of Government accommodation, if any, allotted to them in their previous place of posting. They are required to pay only 10 per cent of their pay as rent for retained accommodation.

(b) Rent-free accommodation is provided at the place of their new posting. In case Government accommodation is not available at the Project Headquarters, Government reimburses the rent (including the electrical, conservancy and other charges) of the hired accommodation.

(c) The State Government has increased the Incentive Allowances to the Government employees working in the remote and inaccessible tribal areas *vide* Government Resolution No. EST-1097/C.No.18/D-15, dated 5th February, 1999 to the following rates :—

Pay Scale	Rate of Incentive Allowance per month (Rs)
1. Basic Pay less than Rs. 3050	100
2. Basic Pay of Rs.3050 & above but less than Rs. 4589	200
3. Basic Pay of Rs.4590 & above but less than Rs.6499	300
4. Basic Pay of Rs. 6500 & above but less than Rs.9999	400
5. Basic Pay of Rs. 10000 and above	500

Initially the State Government had identified the whole of Gadchiroli district, Rajura and Gondpimpri taluka, 81 villages in Mull and 23 villages in Chandrapur taluka of Chandrapur district for the special action and the above incentives as stated above were given.

Now as per the aforesaid Government Resolution incentive allowance at enhanced rates is only being given to the employees working in 1472 villages of 290 pockets of 46 tahsils of 13 districts. These villages are situated in the most inaccessible areas. The State Government has issued directions that posting in these areas should not be regarded as a punishment posting and experienced and efficient officers are being posted to these areas.

CHAPTER III (A)

TRIBAL SUB-PLAN AND IMPLEMENTATION OF
TRIBAL DEVELOPMENT PROGRAMMES

CONCEPT

The Directive Principles of State Policy, under Article 46 of the Constitution of India, enjoins on State to promote, with special care, the educational and economic interest of the weaker sections of the people and, in particular of the Scheduled Castes (SCs) and Scheduled Tribes (STs), and protect them from social injustice and all forms of exploitation.

The strategy for tribal development has undergone refinements in successive plans. A total comprehensive view of tribal problems was first taken on the eve of the Fifth Five-Year Plan, when the strategy concept of Tribal Sub Plan evolved. This strategy lay emphasis not merely on development programmes but also on protective measures. It also lays emphasis upon socio-economic development of individual Scheduled Tribes, in addition to the emphasis upon area development. The Tribal Sub Plan area strategy was introduced for the first time in Maharashtra in 1976-77, with the following main objectives :—

- (1) To narrow the gap between the level of development of Tribal Sub Plan areas and other areas of the State ;
- (2) To improve the standard and quality of the tribal community ;
- (3) To tackle the important problems faced by the tribals ; and
- (4) To eliminate exploitation of the tribals, speed up the process of social and economic development, build up an inner strength among the tribals and improve their organisational capacity.

2. Under the Tribal Sub Plan areas strategy, areas of tribal concentration were carved out as Integrated Tribal Development Projects. At present there are 24 such Integrated Tribal Development Projects which have been approved by the Government of India and the State Government. There is a separate allocation of funds for the Tribal Sub Plan. These funds are utilized only for the tribal development programmes.

3. As mentioned earlier in paragraph 10 of Chapter-I of this report, there are some pockets of tribal concentration which does not fulfill the criteria of percentage of tribal population as prescribed by Government of India for inclusion in the Tribal Sub Plan areas, but contain sizable tribal population. State Government decided that the tribals in these pockets should also be given the benefits of Tribal Sub Plan areas and, therefore, carved out these pockets from Additional Tribal Sub Plan areas. All the benefits given to the tribals in the Tribal Sub Plan areas are extended to the tribals of Additional Tribal Sub Plan areas. Integrated Tribal Development Projects have been established in the Additional Tribal Sub Plan areas with similar administrative arrangement as that for regular Integrated Tribal Development Projects.

MODIFIED AREA DEVELOPMENT APPROACH (MADA) POCKETS

4. There are in all 43 Modified Area Development Approach and 24 Mini- Modified Area Development Approach Pockets covering 1233 and 295 villages respectively. According to the 2001 Census the total tribal population covered in Modified Area Development Approach and Mini-Modified Area Development Approach Pockets is 5.84 lakh. As in other Tribal Sub Plan areas programmes of economic and educational upliftment of tribal in these pockets have been undertaken.

Primitive Tribes :

5. The Government of India has approved the following communities as Primitive Tribes in the State of Maharashtra :—

- (1) Madia Gond : In the Bhamragad area of Gadchiroli district.
- (2) Kolam : In the Yavatmal and Nanded districts.
- (3) Katkari : In the Raigad and Thane districts.

As per the recommendations of the Government of India, the State Government has formulated projects for the development of these communities. The programme for the development of Primitive Tribes includes provision of shelter-cum-hut, supply of unit of goats and poultry, rehabilitation of families, grant of bullock and agricultural inputs, seeds, fertilizers, agricultural implements etc. at nominal cost. For this programme, Special Doctoral Assistance is being made available by the Government of India.

How Method of Formulation of Tribal Sub Plan :

The method followed in respect of formulation of Tribal Sub Plan up to 1992-93 was that the Planning Department used to allocate plan outlays to different administrative departments. The departments, in turn, used to carve out outlays for the Tribal Sub Plan, as per their own discretion and priorities. The departments were also deciding which of the schemes, programs and development works, were to be taken up from the Tribal Sub Plan. Therefore, even though an independent Tribal Development Department was established in 1983 at Mantralaya (Secretariat) level, it could not effectively participate in deciding outlays for different sectors for the Tribal Sub Plan.

Keeping in view the above shortcomings, the State Government took up this issue with the State Planning Board before the commencement of the Eight Five-Year Plans. The State Planning Board appointed a Sub-Committee in January, 1991 under the Chairmanship of Shri D.M. Sukthankar, a member of the Board and former Chief Secretary, to study the matter. After making an in depth study, the Sub-Committee submitted a report to the State Planning Board in June, 1992. The recommendations made by the Sub-Committee were accepted by the State Planning Board and thereafter by the State Government in September, 1992.

Some of the important recommendations of the Sukthankar Committee for effective implementation of Tribal Sub Plan are (i) The Planning Department should first allocate definite funds to the Tribal Development Department (i.e. fix a plan ceiling for) for the Tribal Sub Plan. The responsibility for finalizing Tribal Sub Plan within the ceiling so indicated should be entrusted to Tribal Development Department and not to the Administrative Department as was being done earlier.

(ii) The funds so far made available to the Tribal Sub Plan were not more than 7 percent of the total size of the State Plan. There may not be objection to accept this percentage initially. However, the schemes to be taken up from these funds should be tribal welfare oriented. Gradually, the size of the Tribal Sub Plan should be increased to 9 percent of the total size of the State Plan.

(iii) In the Tribal Sub Plan, major emphasis / thrust should be given to those schemes viz. Crop Husbandry, Forestry, Primary Education, Health Services, Link Roads, Minor Irrigation, etc. which are important from the point of view of tribal's.

(iv) Active participation should be sought from the Voluntary Organization in the tribal development works.

(v) The outlays to be provided for tribal development for the Tribal Sub Plan areas and Outside Tribal Plan areas should be 75% and 25%.

(vi) Maximum No. of schemes in Tribal Sub Plan should be district level and out of total outlay for the Tribal Sub Plan 60-70% of the outlay should be made available for such schemes.

These recommendations have been accepted and followed by the State Government from the year 1992-93.

Plan Outlay and Expenditure :

During the year 2010-2011, the Tribal Sub Plan outlay was Rs. 3374.35 crores, which was 8.90 % of State's Annual Plan Outlay of Rs. 37917.00 crores. The Plan-wise / year-wise outlay and expenditure incurred is given in the Table 3.1 below :-

Table 3.1

The Statement showing the State Plan and Tribal Sub-Plan Outlays

Plan Year	State Plan Outlay	TSP Outlay	Percentage	Actuals
2010 (2010-11)	2627.57	124.79	4.75	71.79
2009 (2008-09)	6418.17	313.27	5.22	336.06
2008 (2006-07)	9745.71	713.63	7.32	717.78

Plan Year	State Plan Outlay	TSP Outlay	Percentage	(Rs)
Annual Plan (1990-91)	2550.00	179.55	7.04	1
1991-92	3000.00	200.73	6.69	1
VIIIth FYP (1992-97)	24735.00	1818.47	7.35	16
1997-98	8325.00	550.00	9.42	4
1998-99	6400.00	561.00	8.77	5
1999-2000	6641.82	580.59	8.74	40
2000-2001	5798.00	525.00	9.05	44
2001-2002	6750.00	567.00	8.40	45
2002-2003	11562.00	585.00	9.00	44
2003-2004	12650.50	555.73	9.00	47
2004-2005	9446.73	530.04	9.00	45
2005-2006	11000.00	990.00	8.99	928
2006-2007	14829.00	1389.00	9.37	1323
2007-2008	20200.00	1798.00	8.90	1658
2008-2009	25000.00	2238.50	8.95	2080
2009-2010	26000.00	2314.00	8.90	2130
2010-2011	37917.00	3020.00	8.90	2323
2011-2012	41000.00	3347.38	9.01	3105.94

Source: The Commissionerate, Tribal Development, Maharashtra State, Nashik.

10. It will seen from the above table that the expenditure under Tribal Sub Plan during the year 2012 was Rs.3105.94 crores as against Rs.3347.38 crores of initial outlay.

ACHIEVEMENT UNDER THE NEW 20 POINT PROGRAMME-ITEM No. 11 (B) ACCELERATED PROGRAMME FOR DEVELOPMENT OF SCHEDULE TRIBES

11. The target and achievements of the tribal families economically assisted for the period 1982-2011-2012 is shown in the Table 3.2 below :-

Table 3.2

Tribal Families assisted under 20 Point Programme for the period from 1982-83 to 2011-2012

Sr. No.	Year	Target	Achievement	Percentage ass
(1)	(2)	(3)	(4)	(5)
		Families proposed to be assisted

ribd 1982-0	2011-2012	3,02,269	2,63,171	87.06%

Office of the Commissioner, Tribal Development, Maharashtra State, Nasik.

11-2012 The achievement of families to be assisted under various programmes of economic development under the (Item 11 (b) of the 20 Point Programme during 2011-2012 was 2,63,171 tribal families as against a target of 3,02,269 tribal families.

Some Important Achievements

(5) (1) The Tribal Sub Plan strategy, introduced in the State from 1976-77, takes a note of the fact that in order to accelerate the development of the tribal communities, an intensive approach to the tribal problems is necessary in terms of their geographic and demographic concentration. For faster development of this community, areas of tribal concentration were delineated and 17 Integrated Tribal Development Projects (including one for Primitive Tribes) have been approved by the Government of India. However, as mentioned in Paragraph 10 of Chapter, I of this report, there are other areas of tribal concentration which do not conform to the norms prescribed by the Government of India for carving out Integrated Tribal Development Projects which need special attention. The State Government declared some areas as Additional Tribal Sub Plan areas in which 4 Integrated Tribal Development Projects have been carved out in January 1992. (i.e. Four projects have been started outside the original Tribal Sub Plan areas.) In these Additional Tribal Sub Plan areas similar types of schemes are implemented as those in the Tribal Sub Plan areas. The Additional Tribal Sub Plan covers 1291 villages situated in 32 Tahsil of 10 districts with tribal population of 3, 43,486.

(2) Various developmental schemes are implemented under the Tribal Sub Plan areas for the tribals. Some schemes like Ashram Schools, Backward Class Hostels, Supply of Electric Motor Pumps, Oil Engines and Schemes in Integrated Rural Development Projects (IRDP) i.e. individual beneficiary schemes have also been made applicable to tribals living Outside Tribal Sub Plan (OTSP) areas. Infrastructural and Individual Beneficiary schemes are also taken up under the Tribal Sub Plan. Infrastructural scheme also benefit non-tribal in the Tribal Sub Plan areas, while the Individual Beneficiary schemes are only meant for the tribals wherever they are living. Under the Individual Beneficiary scheme the rate of subsidy provided to the tribals varies from 10 per cent to 50 percent in the Tribal Sub Plan areas and, Outside Tribal Sub Plan areas depending on nature of scheme and financial status / position of beneficiary.

(3) Various schemes have been implemented under the Tribal Sub Plan and the tribals have derived a good deal of advantage from the following schemes :

(1) EDUCATION (EDUCATION DEPARTMENT)

Pre-Primary Education.— Government of Maharashtra has introduced special educational facilities for SC/ST categories of tribal areas of the State. Accordingly, 15 tribal districts have been identified. They are Akola, Washim, Bhandara, Thane, Nasik, Dhule, Nandurbar, Jalgaon, Mumbai (W.), Yavatmal, Nagpur, Gondia, Chandrapur and Gadchiroli. It has been noticed that literacy rate in tribal sub plan area is as low as 37%. As an endeavor to bring up this rate, State Government with the Government of India has taken up statewise programme of adult education.

The following schemes are being implemented :—

1. *Vastishala.*— Now scheme has been changed and vastishala teacher are going to be provided D.Ed. training facilities. In order to absorb them as regular primary teacher.

2. *Book Bank in Primary Schools.*— Text books are provided free of cost to SC/ST students in tribal and hilly areas in the State as spending on purchase of text books is difficult for their parents due to poverty. An outlay of Rs. 98.07 lakhs has been sanctioned for tribal area and Rs. 68.79 lakhs for outside tribal area for 10th five-year plan 2002-2007. Though proposed, no outlay was made available from last three years.

The State Government has decided to provide free textbooks under this scheme to students in standards 1 to 4 in Z.P. schools from 103-development block where female literacy is less than that of national level.

3. *Special facilities to SC/ST students in primary schools in Educationally Backward areas.*— To improve enrollment and retention of SC/ST students in schools, many incentive schemes are in operation in tribal areas. Under this, a set of uniform and writing material is supplied free of cost per student in tribal area where literacy rate and enrollment is low. 80% of the grant is spent for uniforms while remaining 20% is spent for writing material. An outlay of Rs. 910.41 lakh has been sanctioned for tribal area and Rs. 1000 lakh for outside tribal area for Tenth five year plan 2002-2007.

Though proposed, no outlay was made available for last two years. The State Government has decided to provide free textbooks under this scheme to students in standard 1 to 4 in Z.P. schools from 103-development block where female literacy is less than that at national level.

4. *Grant to DRDA for construction of school rooms.*— Scheme of construction of school rooms has been included in basic needs programmes under Universalisation of Primary Education in tribal area. For every primary school is provided within 105 Km. and population of 200. The Government of Maharashtra has sanctioned District construction development fund vide G.R. No. PRASHAE/1096/44/96/PRASHI-4 dated 31st January 1999 & PRASHE/ 1097/58181 (372/17)/PRASHI-4 dated 30/6/1999. The Government also has increased the expenditure on construction of primary school rooms in tribal area to 1.30 lakh.

5. *Attendance allowance to girls from weaker section of the society.*— To attract girls from SC/ST and deprived classes particularly from tribal area to schooling, Government of Maharashtra has introduced the scheme of payment of attendance allowance at the rate of Rs. 1 per day of attendance. This is paid to the parent and is subject to the maximum Rs. 220/- per academic year. An Outlay of Rs. 614.242 lakhs for tribal sub plan area and Rs. 396.44 lakhs for outside tribal sub plan area.

6. *District primary education programme under social safety shield scheme.*— Government of Maharashtra is making available financial aid from World Bank for development of educationally backward regions in tribal areas. Further, for defining educational backwardness, percentages of literacy has been the norm. In which nine such districts have been identified. They are Aurangabad, Nanded, Parbhani, Latur and Osmanabad. These districts have been covered in phase I and Beed, Jalna, Dhule and Gadchiroli districts in phase II.

The following conditions are required to be satisfied for eligibility of grant under this scheme :—

- (A) To maintain earlier percentage of Grant for primary education even after getting aid under this scheme
- (B) The society should be registered in Maharashtra State.

Central government is taking responsibility of 85% expenditure of the scheme, while 15% expenditure is borne by this State Government. The State Government is expected to improve educational status of tribal areas and support efforts in the direction of Universalisation of Primary Education.

Stipend to Tribal Students.—As poverty of parents has been the prime cause for students remaining out of school, there is a provision of payment of stipend to students from tribal areas in the State. Boys in standard 6th to 7th are given stipend at the rate of Rs. 40, while girls are given Rs. 50 per month, for boy in standard 8th to 10th this rate is Rs. 50/-, while for girls it is Rs. 60 per month. Students with good moral conduct and minimum 75% attendance qualify for stipends. This is given for ten months in an academic year. However students from Ashram Schools and Residential Schools where get lodging and boarding free of charge are not eligible to get this benefit under these scheme.

Post literacy Programme.— National literacy mission came in to existence on 5th May 1988 to eradicate illiteracy in India. As per its directive principle an autonomous institute named as Maharashtra literacy council established on 18th June 1996. Total literacy has been achieved in Thane, Dhule, Nashik, Nanded, Yavatmal, Chandrapur, Gadchiroli and Chandrapur districts after total literacy mission. Its evaluation has been under taken by outside agency. In Nanded and Yavatmal districts continuing education scheme is in operation after completing total literacy programme there.

Books in tribal dialect.— With a view to create interest in learning among the students in tribal area U.C.R.T. Pune prepares books in tribal dialect. The council also takes of teachers training to universalisation of Primary Education.

TRIBAL DEVELOPMENT DEPPT.

I. Government Ashram School :

Under Women policy, the main aim of the aforesaid scheme is to Empower tribal women by building confidence amongst them for self-employment. In order to achieve this aim, vide Government Resolution dated 04th February 2004. Sanction has been accorded to form / establish 4600 SHGs through Mahila Arthik Vikas Mahamandal within a period of 3 years. On experimental basis to form SHGs to carryout various training programmes to make available market for products manufactured by SHGs and other related works are implemented through Mahila Arthik Vikas Mahamandal.

In this year 2011-2012 Rs. 18.42 Lakhs has been provided. Expenditure incurred on this scheme up to the month of March 2012 Rs. 17.67 lakhs.

94. Establishment of Free Legal Advice centers for Restoration of Lands to tribals :-

The Maharashtra Restoration of lands to Scheduled Tribes Act, 1974 provides for restoration of lands to the tribals, which were transferred to non-tribals during the period 1.4.1957 to 6.7.1974 and not diverted to agricultural use before 6.7.1974. To help the tribals in these cases, free Legal Advise Centers have been sanctioned in offices of Additional Tribal Commissioner, Nashik, Thane, Amravati and Nagpur. In the year 2004-05 a provision of Rs. 16,50,000 has been made for this purpose.

In Nagpur Region Advocate sent the Writ Petition to High Court, Nagpur Bench for challenge Government Resolution. The matter was pending so far the allotment for the year 2004-05, 2006-07, 2007-08, 2008-09, 2009-10, 2010-2011 and 2011-2012 will be surrender to Government.

28. Financial Assistance given to the parent of Grade III & IV Children who admitted in Hospital :

When the children of the grade III & IV are admitted in the hospital the financial Assistance Rs. 40 per day is given to their parents. Up to previous year this scheme was implemented through Nucleus Budget centrally sponsored scheme. Implementation of such schemes is helpful to reduce percentage of death due to malnutrition & starvation. Till today the total outlay scheme is allotted to Health Department. The scheme was implemented through District Health Officer & monitored by Project Officer & Additional Tribal Development Commissioners.

In this year 2011-2012 Rs. 28.59 Lakhs has been provided. Expenditure incurred on this scheme to the month of March 2012 Rs. 27.52 lakhs.

29. Scholarship to the Students belonging to scheduled tribes for Education in Foreign Countries :

The Government of Maharashtra *vide* its Resolution dated 31st March 2005 have decided to award scholarships to 10 students belonging to Scheduled Tribes to undertake studies abroad in accordance with the said decision application for scholarship to undertake education in foreign countries.

These scholarship will be awarded in M.B.A. (Post Graduation)-2 Medical Education (Graduation & Post Graduation-1)-2 B.Tech (Engineering) (Graduation-1, Post Graduation-1)-2, Science (Graduation)-1, Agriculture (Post Graduation)-1, Other Subject (Post Graduation)-2 - Total 10 students.

In this year 2011-2012 Rs. 59.27 Lakhs has been provided. Expenditure incurred on this scheme to the month of March 2012 Rs. 59.27 lakhs.

(3) Social Welfare Department (B.C.Welfare Schemes) :

1. Award of scholarship to Backward Class students in High School :

To encourage meritorious backward class students studying in high schools, Scholarships are awarded according to following prescribed rates *vide* G.R. Educational and Social Welfare Department No. EBC-1066/54787-1 dated 29th August, 1966.

The scholarship is awarded to first backward class students in order of merit in each standard in the school, who secure more than 50 percent marks in their last annual examination. The preference is given to X standard and if funds permit, it is extended to the students in other standards from IX to V.

Now revised rate of Scholarships will be given to S.C. students as per Government Resolution dated 9th February 2007.

Standard V to VII Rs. 50 per month (10 months) and Standard VII to X Rs. 100 per month (10 months).

The scheme is implemented by the Social Welfare Officer, Zilla Parishad for the students studying in High School. (Up to X Standard)

2. Award of scholarships to Backward Class Girl students studying in Standard VII (Primary) :

So many backward class parents of the girl students are Agriculturists and other labourers. Their financial condition is very poor so they are least interested in their daughter's education. Under this scheme to avoid the least attendance in class and to encourage regular attendance in the class, scholarship is given to the girl students Rs. 60 per month for 10 months (June to March).

The scheme is implemented by the Social Welfare Officer, Zilla Parishad.

3. Maintenance allowance to Backward Class students studying in Sainik School :

Students studying in Sainik School, Satara, Nashik and Pune, the entire expenditure on maintenance fees, examination fees, lodging, boarding, cloth, uniforms, horse-riding, pocket money, etc.

challenge -05, 2006 ent. admitted

by these schools for Backward Class students is reimbursed to these schools by Tribal Development Department provided their parents, income is not more than Rs. 65,290 per year. Since 2002-03 onwards the students who studying in sainik school.

4. Grant-in-aid Hostels :

Along with Government hostels, hostels run by the voluntary agencies are paid grant-in-aid by Government at the rate of Rs. 630 per month for each boy and girl for 10 months and also salary of full time trained Superintendent and grant-in-aid on rent of the building. Grant-in-aid is given to those organizations who construct own building and also grant-in-aid for repairs for these building is given. By the end of 2006-2007 the number of grant-in-aided hostels for S.C. Boys and Girls is 2388.

From 2004-2005 this scheme is diverted to non-plan

Other Sectors

1. CROP HUSBANDRY

In Maharashtra, agriculture and allied occupations constitute the mainstay of the tribal economy. Nearly 85% of the tribal population is engaged in the agriculture. Although, most of the tribal families depends on agriculture for their main source of income and occupation, tribal agriculture is characterized by low technology and low input resources and therefore, the per hectare productivity of various crops in the tribal area is low. Moreover, irrigation facilities in the tribal areas are also extremely limited.

Schemes to assist tribal families to bring them above poverty line nearly, 88% of the tribals residing in the state are below poverty line. This scheme therefore, envisages financial assistance to tribal farmers, whose annual income is up to Rs. 25,000 only. Under the scheme the subsidy is given on various items which contribute increase in the productivity of their farms. The State Government has therefore, revamped the scheme in 1992 so as to adopt equal rates of subsidies to all tribal farmers irrespective of their district.

The assistance available to various items to each family is as under :—

Item	Limit of Subsidy (Percentage)	Maximum of subsidies (Rs.)
Land Development Works	100	40,000
Input Supply	100	5,000
Plant protection /Improved Agricultural Implements	100	10,000
Bullock Pair	100	30,000
Bullock Cart	100	15,000
Old well repairing	100	30,000
In Well boaring	100	20,000
Pipeline	100	10,000
New Well construction	100	(Rs. 70,000 to 1,00,000)
Farm pond	100	35,000
Kitchen Garden	100	200 per Gunta
Sprinkle / drip irrigation set	100	25,000
Pump set	100	20,000

Maximum total amount of assistance available under this scheme per beneficiary is limited to Rs. 60,000 without New Well. The assistance for beneficiary that opt for New Well is limited to Rs. 70,000 in 1,00,000 only.

We have requested Government to change the present norms of subsidy and increase the annual limit upto Rs. 50,000 per family.

(2) HORTICULTURE :

(a) Horticulture Plant Protection Scheme.—The objective of the scheme is to control important pests and diseases in horticultural (fruit, vegetable, flowers, Medicinal) crops. The subsidy @ of 50% of the total cost of pesticides applied for control of pests / diseases of fruit, vegetable, flowers, medicinal crops is given to the cultivators. This scheme is implemented by Agriculture Development Office at district level. Pesticides are supplied by Maharashtra Agro Industries Development Corporation. During 2010-2011 provision of Rs. 25.05 lakhs is sanctioned for this purpose but expenditure was not done as there was not serious pests and disease incidence.

During 2011-12 from the provision of Rs. 30.05 lakhs was sanctioned, but due to no demand for pesticides, no expenditure is incurred, hence expenditure is nil.

During 2012-13 from the provision of Rs. 94.00 lakhs is sanctioned.

(b) Kitchen gardening in backyards of tribals – Malnutrition is a major problem being faced by tribal community. To overcome this problem & to supply nutritious diet rich with vitamins & minerals this scheme is being implemented in 12 tribal districts in the State. The minikits of vegetable seeds, grafts / seedlings of fruit crops and a set of implements for soil work and other works is provided to beneficiaries under this scheme.

However, for the year 2010-11 a provision of Rs. 4.75 lakh was made for the pending bills of previous year (2009-10). The expenditure of Rs. 4.63 lakh was in this incurred.

During 2011-12, the provision of Rs. 8.39 lakh was sanctioned. From this, 3740 beneficiaries were covered. During 2012-13, the provision of Rs. 20.00 lakh is sanctioned. From this 8000 beneficiaries are to be covered.

(1) Strengthening of Horticulture Nurseries – In tribal areas 38 horticulture nurseries have been established, for production of grafts/seedlings. The planting material produced on these nurseries is made available at Government approved rates to tribal cultivators on priority basis. The overall target for seedling / grafts for the year 2010-11 was 18.00 lakh out of which achieved 18.00 lakh and for 2011-12 the target was 22.00 lakh, out of which achieved 22.00 lakh respectively.

(3) SOIL AND WATER CONSERVATION :**(A) Tribal Sub Plan (TSP) & (OTSP)**

Limitation of irrigated area by all means shows that rural development would mostly be dependent on the development of rainfed area and ultimately on watershed development. The state has started integrated watershed development programme ensuring people's participation in planning and implementation. Objectives of this programme are as below :—

- (1) Arresting Soil Erosion.
- (2) Recharging ground water and controlling runoff by taking various treatments on ridge to valley basis.
- (3) Development of waste / degraded and highly eroded lands.
- (4) To bring sustainability in agriculture production.

The treatments adopted in watershed development are...

- (1) Continuous Contour trenches.
- (2) Graded Bund / Live bund.
- (3) Compartment bunding.
- (4) Terracing
- (5) Loose Boulder Structure.
- (6) Earthen Nala Bund.
- (7) Cement Nala Bund.
- (8) Gabion Structure.
- (9) Farm Pond.

Thus the funds under tribal sub plan are utilized for development of watersheds in tribal and remote areas. This will help for economic development of the Scheduled Tribe farmers.

(B) Padkai Programme

In Ambegaon tahsil of Pune district this programme is implemented from 2010-11. In Ambegaon tahsil 42 villages in Dimbe Dam area are selected. The total project cost is Rs. 3884.05 lakh, in which 1043.07 ha. Area has to be considered, covering 6181 TSP farmers. In 2011-12 expending of Rs. 428.00 lakh 238.00 ha. area of 1826 tribal farmer was treated.

In this programme on the land having slope range 8% to 20%, terracing is done with stone bund. Thus the waste land comes under Paddy crop cultivation, which results in economic upliftment of tribals farmers.

(C) Animal Husbandry Programme :-

Scheduled areas in the 18 districts have been declared by Government. There are 8041 villages and 19 towns in these 18 districts, which are facilitated by the various activities and advantageous to the beneficiaries of scheduled area. The districts are

- | | |
|-----------------|----------------|
| 1. Thane, | 10. Amravati |
| 2. Raigad, | 11. Akola |
| 3. Nasik, | 12. Buldana |
| 4. Dhule, | 13. Chandrapur |
| 5. Jalgaon, | 14. Gadchiroli |
| 6. Pune, | 15. Yavatmal |
| 7. Ahamadnagar, | 16. Nagpur |
| 8. Nanded, | 17. Wardha |
| 9. Parbhani, | 18. Bhandara. |

The following activities were in operation in Scheduled area during the year 2011-20112

1. Mobile Veterinary Clinics :

Some parts in the scheduled area are remote and hilly. To provide the veterinary health cover and other related facilities these Mobile Veterinary Clinics are working in their jurisdiction.

During the year 2011-12, 14 mobile veterinary Clinics are established and 58314 cases are treated. 156 major and 5781 minor operations in clinic centers were carried on.

2. Veterinary Dispensaries and aid centers :

The scheduled area falling in the jurisdiction of Veterinary Dispensaries and aid centers of respective 18 districts are providing Veterinary services and animal health care. So as to facilitate the maximum production output from the live stock and poultry in 14 District 10,10,627 cases are treated. 1,09,916 P.D. cases examined.

3. Different area Schemes :

Various schemes are implemented for the tribal beneficiaries in the scheduled areas. The schemes such as integrated rural development Programme, Special livestock production programme, tribal sub plan etc. The milk animals, bullocks, poultry, bullock carts etc. are distributed on subsidy basis. In 8 District 2384 beneficiaries are covered and 44 cow, 120 buffalo, 118 Goat units, 169 Poultry units are distributed to Tribal castakar.

DAIRY DEVELOPMENT

Under Government Resolution dated 16th May 2001, individual beneficiary schemes were scrapped. Under the Plan Schemes the sanctioned funds were to be utilized for replacement of old machinery and purchase of machinery for the processing dairies and chilling plants in tribal region.

In the year 2010-11 funds of Rs. 5.00 lacs were budgeted under Tribal Sub Plan. Funds of Rs. 4.00 lacs were released on BDS. The expenditure in the year 2011 under Tribal Sub Plan by the Dairy Development Department was Rs. 3.70 lacs for installing Bulk milk cooler at Kohmara, Dist. Gondia. In the year 2012 funds of Rs. 4.00 lakh were budgeted under Tribal Sub Plan. The expenditure in the year 2012 under Tribal Sub Plan by the Dairy Development Department was Rs. 3.95 lacs for Government Milk Scheme Centre at Kohmara milk chilling center for the purchase of machinery.

4. FISHERIES DEPARTMENT :—

The inland fishery sources in the tribal areas are mainly rivers, rivulets and hill streams. On account of implementation of major and medium irrigation projects in the tribal area a large number of reservoirs have come up. Nearly 97000 hectore of water sheets in the form of tanks and reservoirs are available in the tribal areas for the development of fisheries. Particularly in the inland Districts fishing is the main time vocation of the tribal's. Since they conduct fishing by traditional methods in the small streams, rivulets and seasonal rivers, the fishes caught by the tribal's are primarily utilized for their own consumption and very small portion of it sometime sold in the market. The methods adopted for catching fish by the tribals are of very primitive types, such as catching fish by cloth, use of herbicides for stopping the fish in the pools etc. However, during the past decade efforts have been made to introduce the practice of fish culture in the ponds and tanks, so that the tribals could utilize the man made water resources for fish production and earn their livelihood.

The main beneficiaries under the fisheries programme are traditional fishermen in the State though they are backward are not included in the category of Schedule Tribes. Therefore, the participation of Scheduled Tribe beneficiaries in the programme of fisheries development gets little restricted. The programme has to be implemented in such a way, so as to avoid conflict between the traditional fishermen and the non-fishermen tribals for the same water resources.

The salient features of some of the important schemes included in the Tribal Sub plan of are described below:

(i) Fish Seed Production :—

Fish seed of cultivable varieties of fish is prime importance to augment production of fish from the impounded water. The requirement of fish seed for optimum stock available in the water resources of the state estimated to be 3 lakh hectore area is to the tune of 60 lakh lakhs which includes 10 crore for tribal areas. However, the present stock level of the state is only 30 crore. Therefore, considerable shortage in fish seed production. With a view to achieve self-sufficiency in seed production, it is proposed to extend the existing farms, wherever possible and also to establish new fish seed farms in tribal areas. An outlay of Rs. 62.30 lakhs is proposed under the scheme in the tribal sub plan of 2011-2012 and expenditure incurred is Rs. 62.30 lakh.

(ii) Fish Farming in Impounded Waters :—

The main objective of this scheme is to bring more and more cultivable water areas under fish culture. Under the scheme, seed is supplied at subsidized rate to the fisheries co-operatives and local bodies for stocking. Similarly, subsidy on construction of rearing ponds, purchase of food and fertilizers is also granted. The scheme envisages increase in the fish production thereby to provide employment opportunities to the rural tribals. An outlay of Rs. 13.50 lakh has been provided for the year 2011-2012 and expenditure incurred is Rs. 6.10 lakh.

(iii) Fish farmer's development agency :—

Under Fish Farmers Development Agency the beneficiary chooses from Adivasi Fishermen's Training Centre. There Adivasi train by the department for fishery. Thus department gave financial assistance to the fisherman. This subsidy pattern is 75:25 (Central shares 75% and State share 25%). An outlay of Rs. 1.00 Lakh is provided in the Tribal Sub Plan for the year 2011-2012 and expenditure incurred is Rs. 0.00 lakh.

(iv) Development of Fisheries Co-operatives Societies :—

It is necessary to improve the working of these fisheries Co-operatives Societies and strengthen them economically. For this purpose, under the scheme, financial assistance

to the Fisheries Co-operatives Societies in tribal areas in the form of managerial subsidy and share capital contribution. This assistance is given to the societies for the first five years after they formare. The recovery of 50% capital contribution is done after 10 years and the balance of 50% amount is recovered after 15 years. An outlay of Rs. 0.52 lakhs is provided for the year 2011-2012 and expenditure incurred is Rs. 0.08 lakh.

(vi) Assistance for the Purchase of Fishery Requisites :—

Under the scheme financial assistance is given to the tribal fisherman in the form of subsidy for various items for fishery requisites like, nylon twine, readymade nets and construction of small boats etc. An outlay of Rs.12.95 lakhs is provided for the scheme for the year 2011-2012 and expenditure incurred is Rs. 10.57 lakh.

Thus, a total outlay of Rs. 90.35 lakhs has been provided in the Tribal Sub Plan of 2011-2012 under this sector.

Commissionerate of Fisheries, Maharashtra State, Mumbai

5. FOREST DEPARTMENT -

In Maharashtra State, 50757 Sq.Km. (Provisional) of scheduled area is spread over the districts of Thane, Nasik, Dhule, Pune, Nandurbar, Jalgaon, Amravati, Yavatmal, Nanded, Nagpur, Chandrapur and Gadchiroli. The extent of forest dispersed in scheduled areas in these 12 districts is 19209 Sq.Km. (Provisional) approximately constituting about 31.32% of the total forest area of Maharashtra which is 61340 Sq.Kms. (Provisional). Forest Villages and in forest settlements were established and developed for the purpose of ensuring sustained and adequate availability of labour for forestry works. At present the forest villages and in forest settlements are under the administrative control of the Revenue Department in accordance to the provisions of Forest Conservation Act 1980, the inhabitants of the forest villages and in forest settlements enjoy the same benefits of occupancy rights in hand as are available to the residents of Revenue villages. The large scale of employment in various forestry works undertaken in forest area has added a source of livelihood to the forest dwellers. They were granted concessions, privileges like Nistar and other facilities etc. and were provided amenities like drinking water, school, rooms / buildings etc. through the development plan programmes to the extent possible. A brief view of the welfare activities is presented below.

1. CONCESSIONS IN RESPECT OF FOREST AND FOREST PRODUCE

The Forest Department provides ameliorative facilities for the Welfare of the inhabitants of forest villages and in forest settlements through measures like meeting their essential needs for forest produce such as small timber, fuel wood, grazing facilities.

2. FOREST LABOURERS CO-OPERATIVE SOCIETIES

In the year 2011-2012, 148 Forest Labourers Co-Operative Societies were allotted 242 Coupes for working. The breakup of working of coupes is as under.

Sr. No.	Name of the Circle	No. of F.L.C.S.	No. of Coupes Allotted
01	Yavatmal	32	67
02	Nagpur	61	77
03	Chandrapur	17	18
04	Gadchiroli	32	74
05	Amravati	06	06
	TOTAL	148	242

During the year 2011-12, there were 350 F.L.C.S. out of which 211 are functioning, 44 F.L.C.S. are not functioning and 73 F.L.C.S. were under liquidation with a total membership of about 54,000. Out of 350 F.L.C.S., 246 F.L.C.S. are in tribal areas with a membership of 39,000.

3. Forestry works offered employment opportunities on a very large scale, especially to the Adivasi and backward class people who were paid wages as fixed by wage board. The total labour employed during 2011-12 was estimated to 1,03,62,000 mandays (Provisional).

4. GRANT OF 7% FOREST REVENUE TO ZILLA PARISHADS

An amount of Rs. 1538.44 lakhs (Provisional) was given as grant-in-aid by the Government of Maharashtra carrying out development works in respect of forest villages and in forest settlements.

6. SOCIAL FORESTRY

No financial outlay was made available for the year 2011-2012 under the Tribal Sub Plan for Social Forestry Department.

CO-OPERATION :-

With the State Government's participation by way of Share Capital Contribution, loan & financial subsidy, the Co-operative movement has now become a vital instrument of economic development.

tribal areas. It has become an effective medium for the successful implementation of various schemes, which have a bearing on raising of the standard of living of the tribal population. In order to study the problems of Adivasi Co-operative Societies a Committee was appointed on 30th January 1984 under the Chairmanship of Shri Madhukarrao Pichad, the then Minister of State for Tribal Development. On the basis of the recommendations made by that committee the following important decisions were taken by the Government to revitalize the co-operative structure in the Tribal areas.

(1) To reorganize the Adivasi Co-operative Societies on the following criteria :

(a) The area of operation of a society should be limited to 5 to 10 kms.

(b) For each 5,000 population, there should be one society.

(2) While reorganising the societies on the above lines, the existing societies should be liquidated and ;

(3) To extend financial assistance to these societies in the following manner :

(a) To increase the rate of commission under Monopoly Procurement Scheme.

(b) To increase the rate of commission in Fair Price Shops dealings and,

(c) Managerial loans given to Adivasi Co-operative Societies from the fourth to the Seventh year be converted into subsidy.

2. The Government has accorded sanction to 100 percent management subsidy to these reorganized societies for a period of five years. The Government has also agreed to convert the operational loans given to the then Adivasi Seva Societies into subsidy. However, the pattern in respect of management subsidy & share capital is still under the consideration of Government.

3. The details of some important schemes and outlay provided for them in the Tribal Sub Plan, 2011-2012 are given in the following paragraphs.

(1) SUBSIDY TOWARDS BAD DEBT RESERVE : —

There are two schemes under which financial assistance is given to each Adivasi Co-operative Society towards its bad debts reserve funds up to a limit of 5 percent of the maximum of its outstanding. Government contribution for subsequent years is on the basis of difference in loans advanced in the previous years, subject to the limit of maximum contribution of Rs. 0.30 lakh to each society. The total outlay provided for 2011- 2012 is Rs. 4.80 lakh.

(2) GRANT OF INTEREST SUBSIDY UNDER VARIOUS SCHEMES : —

There are various schemes for grant of interest subsidy to tribal farmers. These schemes are (i) Interest subsidy to small farmers, (ii) Interest subsidy to Tribal farmers, (iii) Interest subsidy to Adivasi Members of Adivasi Co-operative Societies. Government decided that the crop finance disbursed to the Adivasi Co-operative Societies should be at concessional rates. However, tribal members having irrigated crop will not be eligible for subsidy under these schemes. The scheme wise outlay provided for 2011, 2012 are as follows :—

(Rs. in Lakhs)

(i) Interest subsidy to small farmers	0.62
(ii) Interest subsidy to tribal farmers	1.20
(iii) Production Incentive Scheme	75.08

(3) SEVEN YEARS INTEREST FREE LOANS FOR THE PURCHASE OF SHARES OF ADIVASI CO-OPERATIVE SOCIETIES AS WELL AS FOR CO-OPERATIVE CONSUMER SHOPS :—

Adivasi Co-operative Societies offer various facilities to their tribal members. However, in order to enable the tribals to become the member of such societies, Government grants them interest free loan of Rs. 100 the loan is repayable in 5 equal installments and the first installment becomes due in the third year from the date of release of the loan. An outlay of Rs. 10.52 lakh has been provided for the year 2011- 2012 for this scheme.

(4) FINANCIAL ASSISTANCE TO TRIBAL PURCHASE OF SHARES OF CO-OPERATIVE SUGAR FACTORIES :—

Under this scheme financial assistance is given to the tribal so as to become the member of co-operative sugar factories at the rate of Rs. 5,000 or the actual book value of the share of 50 percent interest free loans and 50 percent subsidy. The loan is recovered in 5 equal instalments after 2 years from the date of grant of loan. This scheme is being implemented through the Deputy Registrar of Co-operative Societies. An outlay of Rs. 28.92 lakh has been provided under the scheme for the year 2011-2012.

(5) MANAGERIAL SUBSIDY FOR FAIR PRICE SHOPS OF TRIBAL CO-OPERATIVE SOCIETIES :—

The distribution of food grain and consumer articles is done through Adivasi Multi Co-operative Societies. In undertaking these activities, the societies sustain losses. In order to reimburse such losses, management subsidy is given at the rate of Rs. 2500 per society per month. There are in all 141 Fair Price Shops, being run by the existing Adivasi Societies. An outlay of Rs. 1.10 lakh has been provided in the Tribal Sub-Plan of 2011-2012 for this purpose.

(6) MANAGERIAL SUBSIDY AND SHARE CAPITAL TO ADIVASI VIVIDH KAR SHIKSHAN SOCIETIES FOR REVITALISATION :

Since the activities of the above-reorganized Adivasi societies have been expanded, they have to appoint additional staff for which they will have to incur management expenses. The estimated excess expenditure involved on management activities would be about Rs. 10,000 per society per year. An outlay of Rs. 28.55 lakh has been provided for this scheme for the year 2011-2012.

(7) Share capital to co-operative Adivasi V.K.S. for Revitalization :—

The former 275 Adivasi Co-operative Societies working in the Tribal Sub Plan are being reorganised, as per the recommendations of the Pichad Committee, into 938 Adivasi VKS Societies. The newly reorganized societies are to take different activities in the tribal areas such as disbursement of crop loans to its members, running of fair price shop, they are also expected to undertake other activities like fishery, dairy, labour etc. Each society would require fund of Rs. 5 lakh for carrying out such activities. The Central Financing agency grants the society upto ten times of its own funds. Therefore, to raise funds of Rs. 4 to 5 lakh, each society would require at least Rs. 50,000 financial assistance in the form of Government share capital.

Hence, the total outlay of Rs. 179.69 lakh has been provided for this sub-sector for the year 2011-2012 under the Tribal Sub Plan.

GROUND WATER SURVEYS AND DEVELOPMENT AGENCY (GSDA)

The Groundwater Surveys and Development Agency under Water Supply and Sanitation Department implements the following programmes under the Tribal Sub Plan. The detail scheme are as given below.

(i) Hydro fracturing of Drinking Water Bore wells

The hydro fracturing is a process to rejuvenate the existing low yielding bore wells. In which water is injected with pressure into the bore well. The fractures in the isolated zone in the bore well widen and extend existing fractures extend so that fractures get connected and permeability is increased due to which yield increases from the bore well.

Cost of hydro fracturing is Rs.6,000 per bore well. A successfully hydro fractured bore well is usually fitted with a hand pump, thus benefiting a population of 250 people.

During the year 2011-12 under Tribal Sub-Plan (TSP) and OTSP a grant of Rs. 100 lakhs was sanctioned and Rs. 3.18 lakhs received. Accordingly the target of hydro fracturing of 63 bore wells.

(B) Rural Water Supply :-

A large segment of the population (61 percent) in Maharashtra lives in the rural areas in 43,020 villages. The rural drinking water supply programme is a part of the "20-Point Programme" as well as the "National Basic Minimum Services" and the "Prime Minister's Gramodaya Yojana" Drinking water in rural areas is being provided by Piped Water Supply schemes. Bore Wells and Dug Wells depending on the Source of water, terrain and population of the villages.

2. As the entire State receives rainfall only for four months, water retained underground and in the form of dams, rivers and canals is used during the remaining eight months. Extreme exploitation of the underground water has result in depletion of the water sources, leading to scarcity. The only solution to the problem of the nature is to conserve water on watershed basis, preferably with village as a unit. The availability of water is further complicated by the presence of salts in excessive quantities, fluoride, arsenic, iron, and other toxic elements or biologically contaminated in natural water reservoirs at some places. In the background of these constraints, it is the endeavor of the State Government to exploit all the feasible water resources which are comparatively permanent in nature.

3. A study group appointed by Government to study and recommend ways and means to implement Water Supply and Sanitation Programme during Tenth Five Year Plan has recommended that -

- i. The Villages/Wadis not tackled upto the end of Ninth Five Year Plan and those Villages /Wadis where water has been chemically polluted should be tackled on priority.
- ii. The capital expenditure for providing much water above the prescribed norms and in respect of house connection should be borne entirely by the beneficiaries.
- iii. Where it is practicable to take maximum decisions in respect of the programme, by Gramsabha, a provision should be made in the Act and in the Administrative rules.
- iv. The programme of strengthening of water sources, then recharging through various methods and rain water harvesting should be implemented through people's participation. Sufficient provisions should also be made in the budget.
- v. Necessary amendments should be made in the Ground Water Act, 1993 to delegate some of the powers given to collectors under the Act to the Gramsabhas.
- vi. For maintenance and repairs of the schemes, the local bodies should increase the water taxes in stages and should provide funds from their other sources.
- vii. Government may consider sanctioning more grants for construction of individual latrines. To motivate people to make use of latrines and other hygiene Government should implement the Sant Gadgebaba Clean Village Abhiyan Permanently.
- viii. At public places, latrine complexes should be provided particularly for women. Also in every school separate toilets should be provided for boys and girls.

4. According to the revised policy now this programme has been implemented on the basis of demand and people's participation. Accordingly, the beneficiaries demand for such scheme through Gramsabha, which is technically and managerially affordable and acceptable to them. The beneficiaries have to pay 10% capital cost as popular contribution and should borne 100% expenditure towards operation and maintenance of the scheme. A village water supply and sanitation committee has to be constituted for implementation and operation of the scheme.

Dug well and Bore well Programme and Piped Water Supply Schemes costing upto Rs. 75.00 Lakh is being executed by the Zilla Parishads. Piped Water Schemes costing more than Rs. 75.00 Lakh will be executed by Maharashtra Jeevan Pradhikaran.

5. Operation and maintenance of the scheme is the responsibility of the village panchayat /Zilla Parishads. For this purpose the village Panchayats / Zilla Parishads raises funds by levy water tax and from its own resources. The "Maintenance and Repairs fund" created Government at the district level is being operated by the respective Zilla Parishad. Every Zilla Parishad is required to credit 20% of its income in this fund every year. In addition from 2001-2002 15% of the budgeted provision under Rural Water Supply and 15% to total allocation be received from Central Government under A.R.W.S.P. is provided by the State Government to the Zilla Parishad for this fund. Also at village level a separate "Village Water Supply Fund" has been created in each Village Panchayat. In this fund 35% of the grants against land revenue and general and private water cess in respect of the water schemes are to be credited. However as per new guidelines of Government of India 100% expenditure on Maintenance and Repairs of Water Supply Scheme has to be borne by the beneficiaries. In addition, the State Government reimburses 50% of the expenditure incurred on account of electric charges and on TCL power required for purification of water by the Gram Panchayat /Zilla Parishad in respect Water Supply Schemes.

6. According to the survey conducted during 2003-04, 47043 Villages/Wadis are found Problematic. Out of these 21,387 Villages/Wadis are to be tackled through Minimum Nuisance Programme, ARWSP, Swarjaldhara Scheme and External Aided Projects. Excluding 25,656 Villages/Wadis are yet to be tackled. Total fund of Rs. 5297.96 lakh is necessary up to 2011-2012 for all the 47,043 Villages/Wadis.

7. State Government has accepted the guidelines of Government of India, norms and selection of Villages/Habitations and priority for coverage of Villages/Habitations as follows:-

(A) Norms for selection of Villages/Habitations.

1. Villages/Habitants having lack of water sources within 1.6 Km. distance in plain area and 100 meters distance in hilly area.
2. Villages/Habitations having water source but contaminated by excessive salinity, iron, fluoride, arsenic or other toxic elements or biologically contaminated source.
3. Villages/Habitations having availability of safe drinking water however low as per norms (less than 40 lpcd)

(B) Priority for coverage of Villages/Habitations:-

1. Villages/Habitations exclusively inhabited by SC/ST or having larger SC/ST population as enumerated in the Status Report of 1994 (Survey) re-surveyed in 1996-97.
2. Coverage of Villages/Habitations getting contaminated, toxic water to be covered first and rest later.
3. Villages/Habitants receiving less than 40 lpcd water to be brought to level of 40 lpcd.

Coverage of schools/anganwadies without drinking water facility. Total outlay of Rs. 5297.96 lakhs has been provided for the Villages/Wadis in the Tribal areas for the year 2011-2012.

8. SWARNJAYANTI GRAM SWAROZGAR YOJANA

Swarnjayanti Gram Swarozgar Yojana (SGSY) has been launched in 1999-2000. For this scheme share of central and State is 75:25. The objective of SGSY is to bring the assisted poor families (Swarozgaris) above the poverty line in three years, by providing them income-generating assets through bank credit and Government subsidy. It would mean ensuring that the family should get minimum Rs. 2000 per month.

Salient Features.

1. Swarnjayanti Gram Swarozgar Yojana (SGSY) aims at establishing a large number of micro enterprises in the rural areas, building, upon the potential of the rural poor.

2. Toward this end, SGSY is conceived as holistic programme of Micro Enterprises covering all aspect of Self-Employment Viz., organisation of the rural poor into self help groups and their capacity building, planning of activity clusters, infrastructure build up, technology, credit and marketing.

3. In establishing Micro-Enterprises the emphasis under SGSY is on the cluster approach. For this, 4-5 Key activities will be identified for each block based on resources occupational skills of the people and availability of markets. Selection of key activities will be with the approval of the Panchayat Samities at block level and DRDA/Zilla Parishad at District level. The major share of SGSY assistance will be in the activity cluster.

4. SGSY will also focus on Group Approach. At the block level, at least half of the groups will be exclusively women group. In this connection, efforts would also be made to involve women members in each SHG.

5. Subsidy under SGSY will be uniform at 30% of the project cost, subject to maximum of Rs.7,500 . In respect of SCs/STs however, this will be 50% and Rs.10,000 respectively. For groups of swarozgaris (SHGs) the subsidy would be at 50% of the cost of scheme, subject to a ceiling of Rs.1.25 lakhs. There will be no monetary limit on subsidy for irrigation projects subsidy will be back-ended.

6. SGSY will particularly focus on the vulnerable groups among the rural poor. Accordingly, the SC/STs will account for at least 50% of the swarozgaris, women for 40% and disabled for 3 %.

7. SGSY will be implemented by the DRDAs through Panchayat Samities.

Since the Swarnjayanti Gram Swarozgar Yojna came in to implementation of, up to the year 2011-12 an expenditure of Rs. 27934.11 lakh has been incurred on 287638 Swarozgaris.

DRUG PRONE AREA DEVELOPMENT PROGRAMME

The Government of India had sanctioned 1403 micro watersheds in five phases (1999-2002) for 149 centrally sponsored DPAP blocks (25 Districts) in the State. The total sanctioned project cost in respect of the projects implemented is Rs. 396.90 crores. Of the 1403 projects, 1177 watersheds have been allotted to 124 districts and the remaining 226 to the Government Agencies.

226 micro watersheds are foreclosed by Government of India. The expenditure on watersheds was allowed up to July 2012 and all the documents of project completion have to be submitted up to December 2012 to the Government.

In addition to 1403 watersheds 1395 watersheds projects under DPAP are being implemented in 29 districts in accordance with the Hariyali guidelines in Maharashtra. The total sanctioned project cost in respect under DPAP is Rs 418.50 crores. 45 micro watersheds are foreclosed by Government of India.

Government of India will not be funding these watersheds beyond 31st December 2012.

India till Scheme total area targeted is 4,47,465 hectare and area treated is 10,63,075 hectare (73.44%) under the scheme plan is implemented in Ten DPAP districts.

Maharashtra Gramin Employment Guarantee Scheme.

The Government of Maharashtra has decided to amend its EGS Act, 1977 and enlarge the scope to remove the inconsistency, less favourable and to accommodate the essential features of the Central Act in section 29 of the National Rural Employment Guarantee Agency. Accordingly, a scheme is formulated under section 4 of the NREGA and known as the Maharashtra Rural Employment Guarantee Scheme, 2006. The scheme will provide more facilities to manual workers and effectively implementation of the scheme.

In the first phase the scheme is applicable in 12 district of Maharashtra those are Dhule, Nandurbar, Aurangabad, Nanded, Hingoli, Yavatmal, Amaravati, Gondia, Bhandara, Chandrapur and Solapur and in further it will be implemented in other districts from the dates that will be notified from time to time by the Central Government.

However, it will be substantially applicable to all remaining districts excluding Mumbai City and Mumbai District and Class Municipal areas. The liability of the Central Government will be restricted to the employment to rural households for hundred days in a financial year. The State undertakes all other

Object of the scheme

The object of the scheme is to provide for the enhancement of livelihood security of the households in rural areas and 'C' class municipal areas of the Maharashtra by providing guaranteed wage employment throughout the year to every adult person who volunteers to do unskilled manual work. The guarantee to provide work is restricted to unskilled manual work. The fundamental objective of the scheme is that on completion of the works undertaken, some durable community assets will be generated and that the wages paid to workers will be linked with the quantity of work done.

The features of the schemes :—

1. As per section 2 (g) of the NREGA Act that any department of the State Government, Zilla Parishad, Panchayat Samiti, Gram Panchayat or any local authority or Government undertaking or any governmental organization shall be appointed as "implementing agency" to undertake the implementation of any work taken up under a Scheme;
2. As per section 6 (1) of the Act, the Minimum Wages rate shall be applicable as specified by the Central Government.
3. As per section 7 (2) of the Act, the unemployment allowance shall be payable. That no such allowance shall be less than 25% of the wage rate for the first thirty days during the financial year and not less than 50% of the wage rate for the remaining period of the financial year.
4. As per section 12 of the Act, the State shall constitute State Employment Guarantee Council.
5. As per section 13 of the Act, the Gram Panchayats shall participate for planning and implementation of the Schemes made under this Act.
6. As per section 16 of the Act, the Gram Panchayat shall be responsible for various work such as identification, executing, supervising etc. of the Gram projects.
7. As per section 10 of the Act, the Gram Sabha shall participate in identification of works.
8. As per section 18 of the Act, the District Collector shall act as District Programme Coordinator for the implementation of the scheme in the district.
9. The Chief Executive Officer, Zilla Parishad shall act as Joint District Programme Coordinator for the implementation of the scheme in the district.
10. As per section 15 of the Act, the Programme Officer shall be appointed at every Panchayat level who will work under the guidance of the Sub Divisional Officer and District Collector.
11. The necessary staff and technical support shall be made available to the Programme Officer.
12. As per section 23 of the Act, the State Government shall ensure proper execution, transparency and accountability at all levels in the implementation of the Schemes.

INDIRA AWAS YOJANA

Introduction

Indira Awaas Yojana was started during 1985-86 as a sub-scheme of Rural Landless Employment Guarantee Programme (RLEGP) in Maharashtra State. Thereafter, from the year 1989-90 Indira Awaas Yojana was implemented in the state as a sub-scheme of Jawahar Rojgar Yojana (JRY). The scheme is being implemented in the state from 1st January 1996.

Target Group

The houses are constructed under this scheme for below poverty line households in the rural areas belonging to Scheduled Caste / Scheduled Tribes, free bonded labourer and non-SC/ST categories. The beneficiaries are selected from the permanent IAY (Indira Awas Yojana) wait list according to IAY guidelines. Under IAY the houses are being constructed for people who are below poverty line. As per the guidelines of the Indira Awas Yojana 60% grants are made available for SC/ST beneficiaries. A fund to the tune of 3% of the total grant has been earmarked for the benefit of physically and mentally challenged BPL persons. 15% funds are earmarked for minority BPL beneficiaries.

Health Centers were functioning in the TSP areas. The target for opening PHCs as per the population norm was fulfilled. The revised norms for the supply of medicines to tribal Primary Health Centers as (from Rs. 80,000 to) as Rs. 1,60,000 per PHC per year and Sub-center (from Rs. 6,000 to) Rs. 12,000 per Sub center per year as per G.R. Dt. 06.02.2007. In addition to this, 2075 sub centers and 67 Rural Hospitals were also functioning in the Tribal Sub Plan areas. For these schemes expenditure of Rs. 8368.76 lakh was incurred during the year. Details of the provisions / expenditure for the year 2011-2012 are given in the Table No.3.10

Table 3.10

Statement showing the details of the provisions and expenditure for the year 2010-2011 and the target for the year 2011-2012 of schemes implemented by the Health Department

(14) INDUSTRY AND MINERALS

1. DISTRICT INDUSTRIES LOAN SCHEME

The objective of the scheme is to provide financial assistance in the form of margin/seed money for the promotion of tiny industries in semi-urban and rural areas with a view to generate employment opportunities including self-employment.

Margin money assistance is admissible only to those units whose investment in plant & machinery does not exceed Rs.2 lakhs. All towns and rural areas having population of less than 1 lac are covered under the scheme. The extent of assistance is 20% of the total investment is Rs. 40,000 whichever is less. In case of entrepreneur belonging to general category, and in case of entrepreneur belonging to scheduled caste & scheduled tribe assistance up to 30% of total fixed capital investment or up to maximum of Rs. 60000 whichever is less is provided. All units falling within the preview of the Small Scale Industries Board and Village Industries, handicrafts, handlooms, Silk & Coir Industries are covered under the scheme.

The State Government's rate of interest on this loan is 4% and repayment is to be done within 5 years. This scheme is particularly useful for rural students.

The achievement in the scheme is observed less since 2007-2008. The reasons are that the Prime Minister's Employment Generation scheme is introduced during this period and the entrepreneur gets less response. Further this office vide letter dated 23.08.2011 has submitted the proposal of clubbing the Revised Seed Money scheme and District Industries Loan scheme to Government on the very same lines as the Prime Minister's Employment Generation scheme.

2. Revised SEED MONEY SCHEME

The objective of the scheme is to encourage unemployed persons to take up self-employment ventures through industry, service and business, by providing soft loans to meet part of margin money to them from institutional finance.

Eligibility :

Local unemployed person or group of persons fulfilling.

(1) Age Group : 18 to 50 years

(2) Qualification: Std VII pass.

(3) Domiciled in the State of Maharashtra for the last 15 years.

As per Government Resolution dated 18th May 2007, the Government of Maharashtra has made the following changes in the earlier Seed Money Scheme.

- Project cost increased from to Rs. 10 lakhs to 25 lakhs for industry, service and business activity.
- Seed Money assistance at 15 per cent of the project cost approved by financial institutions is offered. In case of projects up to Rs.10 lakhs, the quantum of assistance is 20% for SC/ST/OBC/NT/VT/Handicapped.
- Seed Money component up to 3.75 lakhs maximum.
- Bank loan 75% of the project cost.
- The rate of interest on seed money is 6% per annum and if the borrower repays installment regularly and within schedule time, then the borrower will get rebate of 3% in interest. So he has to pay only 3% interest. Hence for regular repayment interest of 3% per annum.
- If the installment is not repaid in time, it will attract 1% penal interest.

The repayment of loan starts after three years in four yearly installments for industry cases. In other cases repayment starts after six months of loan availment.

ENTREPRENEURIAL DEVELOPMENT TRAINING PROGRAMME

This scheme was introduced with the objective of training to the educated unemployed person to take employment ventures, skilled wage employment wherein guidance is given related to industry / service activities & skill upgradation. Information regarding choice of activity, necessities of land, project various no objection certificates, marketing etc. is given. Under the scheme, training is imparted by MITCON & other NGOs approved by Directorate of Industries. Following programmes are organized :—

1. Entrepreneurship Introductory Programme (Udyojakata Parichay Karyakram) of 1 day Non Residential

In this programme information regarding selection of activity, Entrepreneurship personality development, business management Government Agencies and Financial Agencies providing finance, etc. is given. Total expenses per programme are limited to Rs. 600.

2. Entrepreneurship Development Training Programme (12 days Residential)

This programme consists of 12 days residential training programme, which includes foods. Candidates selected in Entrepreneurship Introductory Programme are mainly given Entrepreneurship widespread information. Institute is given Rs. 4000 per trainee.

3. Technical Training Programme (15 days to 2 months Non-Residential)

This training programme consists of information of improved technical knowledge related to Production and Service. Trainees are given Rs. 500 for 15days, Rs. 1000 for one month and Rs. 2000 for the period of 2 months as a stipend. Institute is given Rs. 3000 per trainee.

ROAD AND BRIDGES -

During the year 2011-2012 budget provision of Rs. 20010.00 lakhs was made under Tribal Sub Plan and actual expenditure of Rs. 19895.00 lakhs was incurred for Road and Bridgework.

The State Government also takes up road works through the help of Boarder Road Organization in the remote areas of Gadchiroli districts.

IRRIGATION (Water Resources Department)

The main occupation of the tribals in the State is agriculture. Despite this irrigation facilities existing in the State continue to be inadequate. Moreover, the command areas of the irrigation projects usually lie in the plain areas whereas the tribal mainly resides in the hilly areas. Therefore, the Major benefits of these irrigation projects usually go to non-tribal land holders. The increase in agricultural production is inestimably due to the increase in irrigation facilities in the State. The flow of benefits from the major and medium irrigation projects to the tribal are usually negligible on account of the reasons mentioned above and hence it

is quite necessary to give the highest priority to minor irrigation works in the Tribal Sub Plan and

- (1) Irrigation Development Corporation
- (2) Minor Irrigation Projects in the State Sector
- (3) Minor Irrigation Projects in the local Sector

WATER RESOURCES DEPARTMENT

There are 10 Major / Medium & 75 Minor irrigation projects from Water Resources Department funded through Tribal Sub Plan. These projects satisfy the laid down criteria of more than 50% of area of beneficiaries belong to tribal. During financial year 2011-12 Tribal Development Department has Rs. 12398.94 lakhs for state sector irrigation projects. Out of the projected potential of 89050 ha. projects 57260 ha potential is created upto March, 2012.

15. SPORTS AND YOUTH SERVICES DEPARTMENT -

1. Grant for Development of Playgrounds -

The scheme is formulated to make available basic facilities of standard playgrounds to the upcoming sports persons in the State, for development of sports skills and talents.

Quantum of assistance-

(a) Under the scheme financial assistance @ 50% of the estimated cost limited to Rs. 2.00 lakh is sanctioned.

(b) To Private Institutions in T.S.P. area F.A. at the rate of 90% or maximum Rs. 2.00 lakh whichever is less.

(c) For Government Ashram schools run by Tribal Development Department at the rate of 100% but Rs. 2.00 lakh maximum.

Institution eligible for grant-

The institutions eligible for this grant are Government and Government aided, private Secondary Schools, Junior Colleges, Institutions recognized by the Education Department, Bodies Registered under Public Trust Act 1950 or The Societies Registration Act 1860, which work for the development of sports, Primary/ Secondary School/Junior Colleges of Local Bodies, Government and Government Ashram schools.

Items for which grant is given are as follows: -

- (1) Leveling of playground
- (2) Fencing / Compound wall of developed playground
- (3) Preparation of various playfields on the playground.
- (4) Preparation of 200m/400m Track
- (5) Construction of Drinking water facility, Toilet blocks, and store rooms near developed playgrounds

1. Grant for development of Gymnasia :

The scheme is formulated to strengthen the historical tradition of Gymnasium, Talims and Akhadas in modern form. This scheme is formulated to establish gymnasiums and equip them with ultra modern exercise equipments. This includes new construction, renovation of old gymnasium and purchase of modern equipment.

Quantum of assistance :

(a) Government offices, Government Institutions like District Sports Complex and Taluka Sports Complexes are eligible for 100% grant, and they will be considered on top priority.

(b) The institutions for villages under S.C.P., Adarsh gram and Tribal villages declared by the Government are eligible for 90% grant of the estimated cost or Rs. 2.00 lakh whichever less is.

(c) For General conditions, financial assistance is given @ 75% of the estimated cost or max. Rs. 2.00 lakh whichever is less.

Items of grant :

(a) Construction of 500 Sq.ft. Gymnasium with male and female toilets and changing room, store room, office.

(i) Renovation of minimum 500 Sq.ft., old gymnasium/Akhada/Talim.

(ii) Modern equipments and other equipments like 7 Station Gym, Single Station Unit, Wrestling /Judo/ Taekwondo Mats/Gymnastic/ Swimming/ Athletics etc. will be allowed to purchase for existing Gymnasia. These equipments have to be purchased from dealer approved by the Director of Sports and Youth Services, Maharashtra State, Pune.

Institution eligible for grants :

(1) Government offices, District Sports Complex and Taluka Sports Complex will be granted 100% grant on first priority.

(2) Local Self-Government bodies – Village Panchayat, Municipal Councils, Municipal Corporation, Zilla Parishad.

(3) Secondary Schools/Colleges run by Private Institutions and recognized by Education Department bodies and Associations registered under Public Trust Act 1950/ Registration Act 1860 including Sports Institute, Yuvak Mandals and Mahila Mandals.

Scheme wise details are given in following paragraphs State Plan

1. **EXPANSION PLAN OF TRIBAL ITI.**— Due to change in Technology and Production process as well as specific Trade skilled worker in service sector, to achieve this goal it is necessary to introduce New Trades in Tribal from the Annual Plan of 2011-12. Rs. 820.00 Lakhs are provided for construction of State level and also for continuity and new works and Tribal ITI Buildings. Out of this Rs. 820.00 Lakhs are expenditure. In Scheme 12 various Schemes is included. Which are 28 Ashramshala, Nirvaha stipend for tribal students in ITI *Magel Tyala Vyawsai Prashikshan*. Additional trades for women in existing ITI, Hostel facilities for tribal students and construction of Hostel buildings in Tribal Areas for this scheme Rs. 820.00 lakhs provide for construction by workshop and administrative building on state level.

2. **PROCUREMENT OF DIFFICIENT EQUIPMENTS IN EXISTING ITI.**— The training in it is need based and unless updated the same cannot be of any use to the industrial world. Updating of curriculum results in new tools equipments and machineries are to be purchased. Further normal use of such tools leads to their wear and tear which ultimately results in need for new tools. Thus revision of syllabus, advance technology and normal wear and tear results in deficiency of tools and equipments. In Maharashtra there are 56 Govt. ITIs in tribal sub plan which will need to procure deficient equipment. Moreover, to replace of worn-out machine tools, hand tools, etc. from old institutes. An outlay of Rs. 922.55 Lakhs approved for Annual Plan 2011-2012, out of this Rs. 550.00 Lakhs is expenditure for 56 tribal ITIs.

3. **CONSTRUCTION OF WORKSHOP & ADMINISTRATIVE BUILDING / HOSTEL BUILDING / ESTABLISHMENT OF NEW ITIS.**— There are 61 Govt. ITIs functioning in the State under Tribal Sub-Plan. Out of which 43 Government ITIs are having their own workshop and Administrative Buildings. 18 Institutes are running in private buildings on rental basis. For this purpose Rs. 3379.07 Lakhs are provided for Annual Plan 2011-12. Out of this Rs. 933.61 lakhs expenditure.

4. **INTRODUCTION OF ADDITIONAL SEATS IN EXISTING ITI AND EXPANSION OF EXISTING ITI.**— In order to take proper care of certain skill are as in the context of technological advancement as well as developments in other sectors viz. Electronics, Industry, Creation of T.V. Transmission Centers, Refrigeration and Air Conditioning development of petrochemical complexes, Plastic Technology, as also to train manpower in the field of Electronics for Computer services, additional seats have been introduced in existing ITIs. For this purpose an outlay of Rs. 69.40 Lakhs is approved for Annual Plan 2011-2012. The proposal is post cretation are not sanction the outlay is not releated.

5. **INTRODUCTION OF TRADE OF MORE DEMAND IN LIEU OF TRADES OF LESS DEMAND.**— For arranging need base training programmes and to establish strong linkage between training and employment opportunities, review of the training courses in different old ITIs of Tribal Sub-Plan for starting new trades

comes essential. Such a change over bring enough flexibility in training system and it becomes need oriented. It also helps to remove the imbalance between the skills and the training facilities available. Such diversification is need based. For this purpose an outlay of Rs. 27.80 Lakhs is approved for Annual Plan 2011-12. Approved is not administrative.

6. **VOCATIONAL TRAINING CENTRE IN ITI.**— For this purpose Rs. 1795.67 Lakhs are approved for Annual Plan 2011-12. Due to change in Technology and Production process as well as specific Trade skilled worker in service sector, to achieve this goal it is necessary to introduce new trades in it is. In this Scheme various Schemes are included and implemented in 14 ashram schools. The items covered under this scheme are subsistence allowance, stipend for Tribal Students in ITI, Magel Tyala Vyawsai Prashikshan, additional trades for Women in existing it is, Hostel facilities for tribal students and construction of Hostel buildings in Tribal Areas. For this purpose Rs. 1795.67 Lakhs are approved for Annual plan 2011-12 out of this Rs. 1047.13 lakhs are expenditure for upgration of Tribal ITI's and Asharam school in the state.

7. **ESTABLISHMENT OF NEW ITI.**— For this scheme Rs. 620.46 lakhs are approved annual plan 2011-12. Out of this Rs. 341.510 lakhs are expenditure for 4 new ITI's committed expenditure the state.

A total outlay of Rs. 6822.89 Lakhs is approved during Annual Plan 2011-12. Out of this Rs. 2872.75 lakhs are expenditure.

19. **TECHNICAL EDUCATION: - PART - II.**— The technical education system has been reorganized by the State through the introduction of improved technologies and supply of adequate technical and managerial manpower to this sector. The planning for technical education is based on the projections of future technological development, the social relevance etc. In the Tribal sub plan area, emphasis has been given on vocationalisation of education at the + stage and development of facilities in pre-secondary school certificate (SSC) vocationalisation of education. An outlay of Rs. 1723.98 lakh has been provided for this sector in the year 2011-12. The scheme details are as follows.

(1) **+2 Vocational Educations :**

(A) In order to motivate the trainees get for self-employment or employment after completion of the higher secondary education and to divert them from the University Education, the scheme of Vocationalisation of Education at +2 stage has been introduced. The main aim behind it is to give useful education at the level of secondary and even after completion of the secondary education. In this scheme (i) Technical (ii) Commerce (iii) Agriculture (iv) Food Technology (v) Fisheries and (vi) Para-medical, total 18 different subjects have been introduced by Maharashtra State Board of Secondary and Higher Secondary Education, Pune.

(B) The Central Government had announced its new education policy in 1986 and opined that emphasis should be laid in the vocationalisation at +2 Stage higher secondary level, accordingly the State Government has started Minimum competency based vocational courses from 1988-89 in following 6 different groups (i) Technical (ii) Commerce (iii) Agriculture (iv) Food Technology (v) Fisheries and (vi) Para-medical, at present 27 competency based vocational subjects are being taught in the 8th and 9th five year plan.

Since the inception of this scheme, 2 Government and 64 private junior colleges from the TSP area has introduced this scheme. In annual plan 2011-12 Rs. 188.65 lakhs are proposed.

(2) **Enhancement of Facilities in Pre SSC Vocational Education :**

There are 13 Government Technical High Schools / centers running in the TSP Areas in the state, with a total intake of 3684 students. All these centers are established exclusively for giving the benefit of technical education at the Pre-SSC stage for the student in tribal areas. To remove the deficiency of machinery and equipment and complete the uncompleted building construction works. In annual plan 2011-12 Rs. 1034.33 lakhs has been provided.

(3) **Introduction of certificate courses in Board Vocational Examination**

An outlay of Rs. 7.50 lakhs has been provided for the year 2005-2006 for the scheme of "Training Certificate (Maharashtra State) Technical Board Examination" and it is unbudgeted. In annual plan 2011-12 Rs. 1.00 lakhs has been provided.

(20) URBAN DEVELOPEMENT

TOWN PLANNING AND VALUATIONAL DEPARTMENT :

In accordance with the guidelines issued by the Central Government, State Government has adopted certain identifying areas under the Tribal Sub-plan in the year 1975-76 and implemented with effect from 1st April 1976. There are 10 Municipal Towns in the Tribal Sub-Plan area which exist in Thane, Nasik, Nandurbar, Amravati and Yavatmal districts.

The Development plans for Municipal towns are sanctioned under the provisions of Maharashtra Regional and Town Planning Act, 1966. The State Government initiated the scheme *viz.* UD-6(a) scheme for Financial Assistance to the Municipal Councils for implementation of the Development Plan, way back in the year 1964. In the course of time, this scheme has become integral part of the District Plan. The scheme is also made applicable to the Municipal Councils in tribal area. Under this scheme Financial Assistance is given to Municipal Councils in the form of both Grant-in-aid and loan for the sites reserved in the Development Plans depending upon the Class of Municipal councils. For C-1 class Municipal councils having population less than 15000 souls 100% Grant-in-aid is given for their non-remunerative works and accordingly special attention is being paid to the Tribal Municipal Towns.

The priority list of sites which are to be implemented under this scheme, is as mentioned below :—

1. Acquisition of lands for various purposes.
2. Market and Weekly Bazaar.
3. Schools and Construction of Roads.
4. Dispensary and Hospitals.
5. Burial and Cremation Grounds, Slaughter Houses.
6. Library.
7. Parks and Gardens.
8. Social Welfare Centers.
9. Construction of Public Latrines and Urinals.

The statement showing release of grants by the State Government since 1994-95 to 2010-11 is as follows :—

16	2008-2009	66.59
17	2009-2010 (for first 4 months)	* 37.48
18	2010-2011	Nil

* Grant released for first 4 months and for that controlling officer was Director of Town Planning, Maharashtra State, Pune.

Now as per Government Resolution No. TSP-2008/C.R.6/Desk-6, dated 16th December 2009, Collector of the concerned districts, is the controlling authority for this scheme.

21. NAV SANJEEVAN YOJANA :

The Nav Sanjeevan Yojana aims at integrated and co-ordinated implementation and strengthening of various facilities like drinking water, health etc. to the tribals which were previously being implemented by several agencies at several levels without ensuring proper co-ordination.

At present the following schemes have been included in the Nav Sanjeevan Yojana and are being implemented :—

(1) Employment Programme

- (a) Employment Guarantee Scheme
- (b) Centrally Sponsored Sampurna Gramin Rojgar Scheme.

(2) Health Services

- (a) Providing Primary Health Care Services
- (b) Providing Pure and Clean Drinking Water

(3) Nutrition Programme

- (a) Integrated Child Development Scheme
- (b) School Feeding Programme

(4) Supply of Food Grains

- (a) Distribution of Food Grains through Fair Price Shops
- (b) Revamped Public Distribution System
- (c) Door Delivery System

(5) Consumption Loan Scheme

Health Services :

Tribal areas are generally inaccessible due to difficult terrain. Such areas are, therefore, deprived of timely and adequate health facilities, particularly during the monsoon when there is interruption in the communication machinery. In order to overcome the problem the Government has decided to provide following health facilities. The Government has also decided the implementation of "Melghat Patterns" the schemes of Health and Nutrition in all districts of Tribal Sub Plan Area from 2003-2004. In this sensitive tribal area an outlay of Rs. 3182.29 lakh has been provide for the year 2011-2012 to provide health services.

(1) Pada Volunteer Workers :

Tribal population is scattered in Adivasi Padas. Due to inaccessibility of Padas in rainy season it is essential to provide Health service to tribals. To disinfect drinking water and intimate the outbreak of any epidemics.

(2) Medical check-up of mothers and children of each family in each hamlet and provision of facilities to high risk mothers and grade III and IV children in the I.T.D.P. Area of 5 critical districts :

Under this scheme 172 Rescue Camps headed by Honorary Medical Officers on Honoraria of Rs. 8,000 per month have been sanctioned.

(3) To provide antenatal maternity benefit for 3 months and one month's postnatal maternity benefit to high risk mothers :

This scheme is introduced to reduce the number of premature births under this scheme financial assistance of Rs. 200 is paid per month to each high risk pregnant women for 4 months. The Government has decided the implementation of this scheme in all tribal districts from 2003-2004.

All above mentioned schemes are merged together under new name providing Special Health Service in sensitive tribal area. For this scheme Rs. 3182.69 lakh has been kept for the year 2011-2012.

(4) Appointment of Hon. Pediatricians :

This scheme is only for the talukas of Dharni and Chikhaldara in Amravati district. Under this scheme, an honorarium of Rs. 300 per visit is proposed to be paid to the pediatricians visiting the Dharni and Chikhaldara area of Amravati district for examining children.

(5) Monthly Meeting of Trained Dais :

In the Integrated Tribal Development Project area the deliveries are conducted by the Dais. This scheme has been introduced for ensuring 100% registration of deliveries and to undertake survey and to monitor high risk mothers and newly born babies. For this purpose a provision of Rs. 35.04 lakh is made in TSP 2008-2009.

(6) Establishment of Pediatric I.C.U. at " Nandurbar District :

To reduce the death of infants, pediatric I.C.U. has been sanctioned at the Children Health Centre, Nandurbar and Gondia district, for this scheme a provision of Rs. 37.00 lakh is made in TSP 2011-2012.

NUTRITION :

In the inaccessible area of Dharni and Chikhaldara talukas of Amravati, Thane, Nashik, Dhule and Gadchiroli Districts, additional supplementary nutrition is intended to be provided to the tribal beneficiaries of 15 Integrated Child Development Projects.

The revised rates of supplementary nutrition are as shown in the following statement :—

Sr. No.	Kind of beneficiaries	Rate of Supplementary nutrition per day is Rs.
1	Children in the age group of 0 to 6 months to 2 years	Rs. 1.50
2	Children in the age group of 2 to 6 years	Rs. 2.25
3	Malnourished children in the age group of 6 months to 2 years (Grade III & IV).	Rs. 4.50
4	Malnourished children in the age group of 2 years to 6 years (Grade III & IV).	Rs. 4.50
5	Pregnant and Lactating mothers and the ill of old persons	Rs. 4.50

EMPLOYMENT PROGRAMME :

Employment programmes are being implemented in such a manner as to provide sufficient employment opportunity in every tribal village or a group of villages so that the migration of tribals is reduced and for this purpose sufficient numbers of works have been sanctioned. Wages to the labour on employment programmes are paid expeditiously.

CONSUMPTION LOAN :

The Government of Maharashtra is implementing the scheme of Consumption Loan since 1978 to save the tribals from malnutrition during the lean period of the monsoon.

With effect from the last year, this scheme has been further revised and the rates of loan are as follows:

(i) Family having up to 4 units on the ration card : Up to Rs. 2,000

(ii) Family having between 4 to 8 units on the ration card : Up to Rs. 3,000

(iii) Family having beyond 8 units on the ration card : Up to Rs. 4,000

Also as decided earlier families with children in grades III and IV would continue to be covered irrespective of whether they are defaulters or not. In the 2005-2006, 1,78,845 families have been given of food grains amounting to Rs. 66.55 Crore and for the year 2011-2012 has made available for this scheme.

23. SPECIAL CENTRAL ASSISTANCE

In addition to the State Plan Outlay, the Government of India has sanctioned Special Central Assistance (SCA). The Special Central Assistance received from the Government of India (annually) is shown in Table 3.8

CHAPTER IV

ANTI-EXPLOITATIVE MEASURES

The State has a long tradition of protecting the interests of Tribals by providing suitable legal protection in all spheres of life wherever there is a possibility of exploitation.

1. Legislative Measures for the Protection of the interest of Tribal in Land.

(A) The Bombay Land Revenue Code, 1879.

2. During the latter part of the nineteenth century, in some notified areas within the British administered Bombay Presidency/Province, restrictions were imposed on the transfer of land belonging to backward communities including tribals. To achieve this objective, an amendment to the Bombay Land Revenue Code, 1879 was made in 1901 by incorporating two new sections, viz. 73-A and 79-A. Under section 73-A, in certain tracts or villages, where the original survey and settlement had not been introduced, Government issued a notification, declaring that the occupancies shall not be transferable without the prior sanction of the Collector, after the date of such notification. Accordingly, a notification was issued in 1902 covering certain villages of the State. The restriction was made applicable only to the lands held by members of the backward communities and excluded those held by Brahmins, Baniyas, Marwaris, Prabhus, etc. Under Section 79-A provision was made for summary eviction of person occupying such lands, in an unauthorized manner.

(B) The Maharashtra Land Revenue Code 1966.

3. The Maharashtra Land Revenue Code, 1966, a unified Code for the State of Maharashtra, was brought into force with effect from 15th August, 1967. Restrictions were imposed under Section 36 of the said Code on alienation of land belonging to tribals. Sub-Section (2) of the aforesaid section 36 provided that occupancies of persons belonging to such STs as may be notified by Government, shall not be transferred except with the previous sanction of the Collector. Sub-Section (3) further provided that if any transfer has been made in contravention of sub-section (2), the transferor or his heir may apply to the Collector within 2 years of the date of such transfer for restoration of the land. The Collector on receipt of such application had to determine in the prescribed manner the liabilities for arrears of land revenue or any other dues forming charge on the land and restore such land to the tribal, on his acceptance to pay such amount. The major weakness of the above provision was that the Collector had no powers to restore the land to the tribal (original owner) (i) if the application was made two years after the transfer and (ii) if the tribal applicant declined to agree to pay, bear the arrears of land revenue and other charges towards the dues on the land.

4. It was, however, observed that despite these provisions, transfer of land from tribals continued. In 1971, the State Government, therefore, set up a Committee under the Chairmanship of the Revenue Minister, Shri H. G. Vartak, to enquire into and report on how far the provisions of the Maharashtra Land Revenue Code, 1966 and the relevant tenancy laws had been effective in giving protection to people belonging to the ST communities and to suggest remedial measures thereto.

5. The Committee in its report observed that, despite the provisions made under the sub-sections (2) and (3) of Section 36 of the Maharashtra Revenue Code, 1966 transfer of tribal's lands to non-tribals continued. These transfers, according to the Committee, broadly fell into two categories: (a) transfer to non-ST persons in clear violation of the provisions of Section 36 (2) of the Maharashtra Land Revenue Code, 1966 and (b) under the provision of Section 36 (b) of the Maharashtra Land Revenue Code, non-tribals could obtain the land of a tribal on lease with the permission of the Collector if the tribal holder was sick and/or unable to cultivate/disabled from cultivating the land.

6. A number of non - ST persons took undue advantage of the above provisions of Section 36 (2) of the Code and took lands belonging to tribals on lease and occupied the same for the period required to claim the status of a tenant. Later on such non-tribal tenants lawfully acquired ownership rights in the land under the tenancy laws through the Tenancy Courts.

7. The Committee made certain other important recommendations though not directly connected with the prevention of further alienation of lands. These were mainly for the restoration of alienated lands to them. Among them, the Committee suggested an amendment to section 36 of the Maharashtra Land Revenue Code, 1966 seeking to provide that the Tribal Lands obtained by the non-tribals by way of transfer made on or after 26th January, 1950, be deemed to be unstatutory mortgages for a period not exceeding 20 years from the date of the transfer. On the expiry of this period or on the payment of the amount found due and payable by the transferor in respect of the mortgage, the land be restored by the Revenue Officer to the ST person, i.e. the transferor. The Committee also recommended that tribal's lands purchased by non-tribals under the Bombay Tenancy and Agricultural Land Act, 1948, be restored to them, and suggested necessary amendments to the Tenancy Act, 1948, to remove legal obstacles, if any to implement this.

8. The above recommendations of the Committee were examined by the State Government and two important legislations were enacted in order (a) to prohibit transfer of land by tribals and, (b) to restore alienated lands. These legislations were:—

(i) The Maharashtra Land Revenue Code and Tenancy Laws Amendment Act, 1974 (Mah. XXXV of 1974).

(ii) The Maharashtra Restoration of Lands to Scheduled Tribes Act, 1974 (Mah. XIV of 1975).

(C) The Maharashtra Land Revenue Code and Tenancy Laws (Amendment) Act, 1974.

9. The Act came into force with effect from 6th July, 1974. It deals with restoration of tribal's land illegally transferred to non-tribals. By this Act, Section 36 (3) of the Maharashtra Land Revenue Code, 1966 was amended to provide for restoration to a tribal, his land illegally alienated to a non-tribal, any time before the 6th July, 1974. Another new Section 36-A inserted in the Code, by this Amendment Act, imposes restrictions on future alienation of land belonging to tribals by way of sale (including sales in execution of a decree of a Civil Court or award of any Tribunal or Authority), with effect from 6th July, 1974.

Also tribals have been prohibited from transferring their lands by way of gift, exchange, mortgage, lease or otherwise, without prior permission of the Collector, which in turn requires the approval of the State Government. Such permissions are required to be granted by the Collector only on satisfying the conditions prescribed by the Government in this regard. The Collector has to satisfy himself, that no other tribal from the same village or within a radius of 5 Kms. of such village is prepared to accept the tribal's land for the same consideration as offered by the non-tribals. The Act also provides that if any tribal's land is taken by a non-tribal, in contravention of the above restrictions then the Collector is empowered to declare such a transfer as invalid and the said lands, stand forfeited to Government free from all encumbrances, with effect from the date of such declaration. Then the Collector has to re-grant such land to the original tribal land owner(s) or his successor(s) in interest, for personal cultivation. A nominal price up to 48 times of the assessment was to be charged. However, the total holding of such tribal, inclusive all of lands held by him as owner, tenant or lease should not exceed one economic holding, i.e. 16 acres of dry crop land. The non-tribal who has taken any land belonging to a tribal on lease after the 6th July, 1974, with the permission of the Collector does not acquire a statutory right to the purchase of tribal land under the Tenancy Laws, as per this amendment. Such land is to be restored to the tribal (original owner), after the expiry of the lease/mortgage period. The law further provides that the land of a tribal should not be auctioned for recovery of Government dues; instead it should be taken under management and leased to a tribal.

(D) The Maharashtra Restoration of Land to Scheduled Tribes Act, 1974.

10. The Act provides for restoration of such tribals' lands, involved in legal and valid transfers including exchanges, affected between 1st April, 1957 and 7th July, 1974. Lands purchased or deemed to have been purchased by non-tribals during the above period under the provisions of the Tenancy Act (including acquisition of land regularized on payment of penalty under Tenancy Laws), are also covered by this Act. The Act has been brought into force with effect from 1st November, 1975. Districtwise valid transfers of land, restored to Scheduled Tribe cultivators up to 1998-99 are shown in the following Table No.4.1

TABLE 4.1

Sources.— Revenue & Forest Department, Mantralaya, Mumbai 1.

All these Acts have been made applicable to all cases involving tribals in the State whether living within the Scheduled Area or outside. However, these provisions have excluded the land put to non-agricultural use by the non-tribal transferee, before 6th July, 1974.

12. The administrative responsibility for the implementation of these legal provisions lies with the Revenue Department of the State Government. Detection of tribal land alienation cases has been entrusted to the Tahsildars of each tahsil. The Tahsildars have also been empowered to exercise the powers of the Collector under these Acts in the matter of enquiry and final disposal of cases in ordering restoration of the lands to the tribals. Appeals against the order of the Tahsildar lie with the Maharashtra Revenue Tribunal. The Collector supervises the work of the Tahsildar and takes a review of the progress made in his monthly meetings. The monitoring of work is also done by the Divisional Commissioners who have been empowered to undertake *suo-moto* revision of cases where appeals have not been filed in the Maharashtra Revenue Tribunal.

13. In order to enable the tribals to pay the compensation for the land restored to them, a scheme of financial assistance is being implemented. Under this scheme the tribals are given interest free loans, equal to 6 times the amount of assessment of the land, plus the value of improvements, if any. The loan is to be repaid in 12 annual installments. The remaining amount equal to 42 times the assessment is given as subsidy.

(E) Implementation of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 and Rules 2008 in Maharashtra State.

Implementation of the act is started from February, 2008 in Maharashtra State. As per the provision of the Act, by March 2012 end following statutory Committees have been constituted at various levels.

(a) Forest Rights Committees (FRCs)-	...	15,002
(b) Sub-Divisional Level Committees (SDLCs)	...	94
(c) District Level Committees (DLCs)	...	28
(d) Divisional Level Committees (DIVLC)	...	04
(e) State Level Monitoring Committee (SLMC)	...	01

Works done for Capacity Building and the Achievement so far

1. Total Number of Trainings organized	...	4,255
2. No. of Government Personnel trained (Revenue, Forest, Tribal, RDD, NIC, GPS/GIS operators etc.)	...	5,020
3. Number of Persons trained (Master trainers, member of F.R.C. etc.)	...	88,855

Use of GIS for implementation and monitoring.

1. 500 GPS are supplied by the TDD and out of these 499 GPS machines are distributed to 28 Districts for measurement of forest land claimed FR Act.

2. A 13 digit unique ID allotted to every claimant.
3. Web based online system of capturing and utilizing GPS Measurement put in place.
4. Online monitoring of GPS measurement is going on.
5. District Level Committees has given Satellite (Cartosat I) Imageries with GIS software. Collectorate staff trained to facilitate smooth processing and quick decision at DLC.

Institutional and Financial support established for better Implementation and Monitoring.

1. Forest Right Cell established in the TRTI, Pune with personnel on contract-honorarium basis.
2. One co-ordinator and one assistant co-ordinator appointed on contract-honorarium basis in each DLC and SDLC.
3. FRCs provided with the Person on honorarium basis (Rs.2000 per month) for providing ministerial help.
4. A lumpsum amount of Rs. 5000 per Panchayat / Forest Rights Committee for administrative expenses.
5. Rs. 4.00 crores spent in 2011-2012 on implementation.

The progress achieved as on 31/03/2012

1. No. of claims filled at Gram Sabha Level	...	3,43,939
2. No. of claims recommended by the Gram Sabha to SDLC	...	2,92,634
3. No. of claims recommended by SDLC to DLC	...	1,13,447
4. No. of claims approved by DLC for title Individual Claim – 1,04,181; Community Claims – 1204)	...	1,05,385
5. Forest land of approved individual Forest Rights Claims – for cultivation:	...	591879.00 Acre

(Maximum area admissible under individual claim is four hectare)

Action taken towards sustainability of Forest Rights and improve productivity of the Forest areas for lively hood support to the tribes:

1. Sustenance of FR is an important issue. Therefore, the State of Maharashtra has already taken initiative in the interest of both: the tribes and the forests. Hence, the Forest Rights Act, 2006 is being implemented in the state in its totality.
2. Workshops, meetings etc. are held on sustainability issues with stakeholders like Forest, Tribal and Revenue Departments, local people and NGOs.
3. Forest Department requested to prepare participatory management programs with the Village Level Committees.
4. Tribal Development Department will provide funds.

II. Legislative Measures for Protection of tribal from Economic Exploitation

(A) The Maharashtra Tribals Economic Condition (Improvement) Act, 1976

14. This is another important piece of legislation for the protection of the tribals. One of the measures to bring about effective economic improvement of the tribals, is to protect them from exploitation by certain unscrupulous elements in society. To achieve this objective, the Act makes any lending made before the commencement of the Act, invalid void and ab initio and prohibits marketing of certain agricultural and minor forest produce in specified tribal areas by private agencies. The Act provides for suitable alternative arrangement in the Tribal Areas for marketing of such produce and providing the needs of the tribals through the State Government and other specified agencies.

Monopoly Procurement of Specified Items

15. The State Government has appointed the Maharashtra State Co-operative Tribal Development Corporation (TDC) as the 'Chief Agent' and the Adivasi (Tribal) Multi-Purpose Co-operative Societies (ACMS) as its 'Sub-Agents', for the purpose of procurement of notified agricultural and minor forest produce from the

tribal The Maharashtra State Co-operative Tribal Development Corporation Limited procures on monopoly basis 21 Agricultural & 31 minor forest produce, at about 581 centers spread over in the Tribals areas. In addition to this *vide* State Govt. Notification dated 12-9-1996 & G. R. dt 28 - 10 -1997 the Grass Procurement Scheme have been started in Mokhada, Jawhar Tahsil in Thane District in the year 1998-99. During the procurement season 1998 - 99 total 37. 156 M. T.Grass worth Rs. 0.24 lakhs have been purchased through 4 purchase centers. During the procurement season 2000-2001 total 77.13 M. T. Grass worth Rs. 8, 07,543 have been purchased, in the year 2001-2002 no purchase of grass by Tribal Development Corporation.

The trading losses suffered by the M. S. Co-op. Tribal Dev. Corporation Ltd. were found to be continuously increasing from 1982 - 83 to 1984 - 85. There was however, a steep decline in these losses trend during the period 1985 - 86 to 1986 - 87 there was again increase in loss during period from 1987 -88, 88 - 89 and profit 1990 - 1991 & 1991 - 1992 there was again a loss and since from 1992 - 1993 to 2001-2002 there has been continuous profit.

TABLE 4.2
Trading Losses and profit suffered by Maharashtra State Co-operative Tribal Development Corporation Limited, Nasik

(Rs.in lakh)

The trading losses of the TDC were due to increase in transportation cost, high rents of godowns, natural losses, inadequate prices fetched in auctions, heavy bank interest, etc. High trading expenditure is a result of the scheme being operated over a vast and extensive rural area characterized by poor communication. Another reason for the losses is the small quantities of commodities tendered by the tribals, which make it difficult to maintain uniformity in the grade.

18. Another important feature of the Monopoly Procurement Scheme is peak in quantity in the year of 1986 - 87 to 2001 - 2002 as exhibited through the quantity of produce purchase by the TDC. The following figures in Table 4.3 of quantities procured to gather with their value will show clearly.

Table 4.3

Year wise Procurement of food grains & Minor Forest Produce by the Maharashtra State Co-operative Tribal Development Corporation Ltd., Nasik-

Year	Quantity (in Qtls.)	Procurement value (Rs.in lakh)
1986-87	8, 66,900	1,535.05
1987-88	18, 17,372	2,676.22
1988-89	12, 49,980	2,365.64

Consumption Finance:

19. With the prohibition of private money-lending in the tribal areas, it is necessary to provide credit facilities to the tribals, for their development and consumption needs. Credit requirements for developmental activities are provided under various schemes including the Nucleus Budget. To meet the consumption requirements of the tribals, a scheme of 'Consumption Finance', has been in operation since 1978-79. For this purpose Government has created a revolving fund and made available total amount of Rs. 2000 crore. In this Corporation under the scheme a beneficent family is eligible for a maximum loan of Rs. 400 holding 4 units or Rs. 800 up to 8 units of Rs. 1000, over & above 8 units in their family. The following table indicates the position of disbursement of consumption finance / loans and its recovery.

TABLE 4.4

Year-wise Consumption /Finance Loan distributed and its recovery

Year	No. of Beneficiaries (Nos.)	Loan/Finance distributed (Rs. in lakh)	Percentage of recovery
1988-89	13,651	20.07	80.00
1989-90	62,506	85.56	10.01
1990-91	41,457	62.39	17.40
1991-92	43,241	82.06	44.00
1992-93	1,03,027	399.66	81.50
1993-94	50,773	211.96	90.00
1994-95	42,077	168.22	90.00
1995-96	39,367	240.91	91.54

(B) Maharashtra Sales of Trees by occupants belonging to Scheduled Tribes (Regulation) Act, 1969,

20. This is one of the protective legislations administered by the Revenue and Forest Department. The Government thought it necessary to regulate the disposal of trees standing in the holdings of persons belonging to ST and to provide for matters connected therewith. It was a piece of legislation made for the benefit of tribals and also for safeguarding them against the exploitative practices of the private contractors dealing in forest produce.

21. Under the Act, the Forest Department demarcates the land of the tribal occupants with the help of the local Patwaris and draws up a detailed list of trees to be felled. The marked trees are felled, converted, transported to the Forest Sale Depot and subsequently sold through auction departmentally. After the confirmation of the sale in auction the occupant is paid the sale proceeds, after deducting the expenses incurred in connection with the sale. No supervision charges are levied and recovered by the Department. This measure enables the tribals to earn remunerative prices for their forest produce by eliminating unscrupulous middlemen/contractors.

(C) Debt Relief Act, 1975

22. Under the Maharashtra Debt Relief Act, relief was given to tribals by liquidating the outstanding loans and interest payable thereon for the following categories of persons :

(i) Small and Marginal farmers, rural artisans, rural labourers, industrial workers, etc., and those whose total income from all sources did not exceed Rs. 24,000 during the year, immediately before 1st August, 1975.

(ii) A worker whose total income from all sources did not exceed Rs. 6,000, if living in an urban area and Rs. 4,800, if living elsewhere, during the year immediately before 1st August, 1975.

23. Tribal farmers were deemed to be small farmers irrespective of the extent of un-irrigated land cultivated by them, thereby placing tribals within the purview of the provisions of Maharashtra Debt Relief Act, 1975 with certainty.

(D) Bonded Labour

24. The Government of India has passed a legislation called the Bonded Labour System (Abolition) Act, 1976, which came into force with effect from 25th October, 1975 (initially through an ordinance).

25. The Industries, Energy and Labour Department deals with the administration of Bonded Labour System (Abolition) Act, 1976. The responsibility of identification of the bonded labourers and their release from bondage lies with the Revenue and Forest Department. After the bonded labourer is made free and released, the work pertaining to rehabilitation of the bonded labourers is required to be done by the Revenue and Forest Department.

26. Vigilance Committees under the Act have been constituted in the districts of Thane, Nasik, Dhule, Satara, Akola, Chandrapur, Bhandara, Aurangabad, Jalgaon, Amravati, Ahmadnagar, and Kolhapur, Nanded, Solapur, Sindhudurg and Melghat Sub-Division of Amravati district. In addition to their duty under section 13 of the Act, to identify, release and rehabilitate the bonded labourers within the areas of their jurisdiction, they are also to advise the District Magistrates for effective implementation of the other provisions of the said Act.

27. The Government, under Section 10 of the said Act, has also conferred powers and imposed duties on all the District Magistrates under the Act in their respective jurisdiction. In order to identify the offences under the said Act, the Government has also conferred the powers of First Class Judicial Magistrate, upon all the District Magistrates, Additional District Magistrates and Sub-Divisional Magistrates in the State, in their respective jurisdiction.

28. The rehabilitation of Bonded Labour is a Centrally Sponsored Scheme and the expenditure is borne by both the State and Central Governments on a 50:50 per cent basis.

29. The State Government *vide* its Resolution, Revenue and Forest Department No. RB-1083/2128/CR-185/R-4(A), dated 26th December, 1983 constituted a Screening Committee for considering the problems regarding the rehabilitation of bonded labourers as per the directions of the Government of India. The said Screening Committee scrutinized three special schemes for the rehabilitation of freed bonded labourers and proposals were submitted to the Government for approval of the following schemes :—

(i) Scheme of rearing goats (unit of 20 goats and 20 ducks) ;

(ii) Scheme of supply of two buffaloes ; and

(iii) Scheme of Supply of a pair of bullocks and a cart. Immediately on release, every bonded labourer is required to be given an immediate help of Rs. 500 in kind.

30. The concerned Collectors had also been requested to take action for the rehabilitation of the bonded labourers in the light of the following rehabilitation measures :—

(1) The bonded labourers freed from bondage may be provided with a house site under the hut construction programme within a period of 3 months, and if in the meantime there is rainy season, the period may be extended upto a maximum of 6 months, even if his name does not appear in the 1971 Census or any other data base being used for this purpose.

(2) Most of the Government waste lands have been disposed off. However, as far as the distribution of surplus lands under the Maharashtra Agricultural Lands (Ceiling on Holdings) Act, 1961 are concerned, bonded labour being landless should be given top priority, even by relaxing the condition of distance of 8 kms. between his residence and the village where such surplus land is available for the purpose.

(3) On identification of bonded labourers, action for his rehabilitation should be taken without waiting for the conviction or otherwise of those who have kept them under bondage.

(4) The bonded labourers freed from bondage should be rehabilitated with the help of the on-going schemes i.e. Integrated Rural Development Programme, Employment Guarantee Scheme, TRYSEM, etc.

(5) The bonded labourers released from bondage may be provided employment urgently, under the Employment Guarantee Scheme or on any other work within a period of fifteen days.

(6) Admission in the Government Ashram Schools to the children of tribal bonded labourers should be granted on priority basis.

(7) Wherever possible, Adult Literacy Classes should be started for released bonded labourers.

III. Excise Policy

31. In the Maharashtra State following Areas have been declared as Tribal Areas :-

Sr. No. (1)	Name of District (2)	Area (3)
(1)	Gadchiroli	Entire District (Excluding Municipal Area)
(2)	Thane	Mokhada Tahsil, Talsari tahsil and Jawahar tahsil (excluding Jawahar Municipal area)
(3)	Nasik	Surgana tahsil (excluding Municipal Area)
(4)	Dhule	Navapur tahsil (excluding Municipal Area)
(5)	Amravati	Melghat tahsil (excluding Municipal Area)

As per the welfare measures taken for these areas, commercial vending of alcoholic beverages in these areas has been discontinued. There are no foreign liquor or country liquor shops / Bars in these areas.

However, depending on the traditions and custom prevailing in the area, the Tribals have been permitted to use "Mahua Liquor" for personal consumption.

Continuous efforts are being made to keep away the Tribals from the habit of drinking alcoholic beverages through various measures. The Non-Government Organization working for the purpose, are being given every possible assistance and help in their work. The Social Welfare Department of the Government organizes Seminars and shows to educate the Tribals about the ill effects of alcohol.

1. The same excise policy is continued by the state. There is no change in policy.
2. However, tribal people are benefitted with toddy license as fixed license fee is issued in tribal areas.
3. There is no exploitation of tribals as there is no sale of liquor in this area.

IV. Displacement of Tribals

32. The main cause for the displacement of tribal's is the major and medium irrigation projects taken up in the tribal areas.

33. The State Government has enacted a special legislation known as the Maharashtra Re-settlement of Project Affected Persons Act, 1976 which came into force from March 1977. The Act provides for the granting of alternative wet lands on a prescribed scale in the benefited zone, to the project affected persons, whose lands have been acquired for the projects. Similarly, the persons whose houses have been acquired for the project are granted housing plots in the new villages, where incontinence amenities such as internal roads, schools, water supply, electricity, etc., are provided. In order to enable the housing plot allotted to construct houses, they are granted loans at a reasonable rate of interest and the loan is to be repaid in 20 equal installments.

1. No distinction is made between tribals and non-tribals as far as the grant of relief are concerned. There is also no separate monitoring of resettlement of the project affected tribals. Hence a separate assessment of the progress of rehabilitation of the project affected tribals is very difficult.

In a large number of cases the tribals of Scheduled Areas are rehabilitated outside the Areas and they do not get all the concessions available to them in the Scheduled Areas. The question of providing necessary protection to displaced tribals may be considered.

35. According to the provisions of the Act, a displaced person is required to deposit 75 per cent of the compensation received for his cultivable land which has been acquired for the project. It is understood that due to various difficulties including the fact that the place when they would be provided with alternative land is not known to the tribals at the time of receiving compensation most of the tribals are not willing to deposit 75 percent of the compensation. Hence, many of the projects affected tribals become landless in the process of displacement due to acquisition of their lands.

V. Payment of Minimum Wages

36. As far as the occupational structure is concerned, a considerable part of the tribal population is engaged in (a) Agriculture, and (b) Forestry Operations. In addition to these two sectors, tribals are also employed in various development projects like road works, irrigation projects, etc. While minimum wages have been fixed in respect of most of the employment where tribals are employed in sufficient numbers, no such minimum wages rate has been fixed in respect of the Forestry Operations, where a large majority of the workers are tribals. It is, therefore, necessary to include Forestry Operations in the Schedule Areas and fix minimum wages for this purpose.

37. The PO, ITDP is declared as Inspector of Minimum Wages considering the need to strengthen the Administrative machinery.

38. The administrative machinery for implementation of the Minimum Wages Act seems to be inadequate to effectively cover the inaccessible and far-flung tribals areas. It is, therefore, necessary to strengthen the administrative machinery further for its implementation in the tribal areas. The question of conferring powers of inspection on the officials of the Tribal Development Department such as Assistant Project Officers of the ITDPs and Tribal Development Inspectors under the Minimum Wages Act may be considered.
